

NEW BRUNSWICK Manufacturers' and Mechanics' EXHIBITION, 1875.

To be held at St. John, N.B., commencing September 27th, to continue for one week.

The competition is open to the Province, and articles to represent New Brunswick at the International Exhibition at Philadelphia, 1876, will be selected from those exhibited.

A great variety of machinery will be exhibited in motion, and other novelties introduced.

The Band of the 1st Battalion 6th Royal Rifles, now stationed at Halifax, and acknowledged to be one of the best in the British service, will be in attendance day and evening.

No pains will be spared to make this Exhibition attractive, and it will far surpass anything of the kind ever before attempted in the Province.

The most favorable arrangements found practicable will be made with Railroad and Steamboat Proprietors for the conveyance of articles and passengers at reduced rates, and ample provision will be made for accommodating strangers visiting the city.

A list of Hotels, Boarding Houses and Private houses where lodgers will be accommodated, may be had on application to the Secretary.

IRA CORNWALL, Jr., Secretary, Office 23 1/2 Prince Wm. Street, St. John, N. B.

N. B.—Persons intending to exhibit will please take notice that the entries for Machinery requiring Motor Power MUST BE made on or before August 27th, and for other articles not later than September 5th.
