

## A CUP OF *Bovril*

Imparts a natural glow of warmth and health, without which, the system is always an easy prey to colds, chills and influenza, which are engendered in moments of weakness and undue fatigue. Bovril is not merely a stimulant, but a highly nourishing food, containing all the strengthening properties of beef in a most convenient and appetizing form. It can be prepared in a moment. Add a little boiling water and it is ready for use.
