OPINIONS OF THE PRESS.

Confederation Life Association.

We are happy to note the steady growth of the business of this Company. More than a million and a half of dollars in amount of new policies have been issued during the past year; the receipts from premiums were \$101,834, and the loss by death only \$6,500. There seems to be a brilliant future for Canadian Life Companies.—*Globe*.

The progress made by this Company is really remarkable, and speaks volumes for the liberal principles which characterize its mode of dealing with the persons insured in it, and for the energy with which it is managed. This Company has already attained to the rank of the second company in Canada for new business for the year 1875.—*The Mail*.

Great care has evidently been exercised in the selection of risks, as the claims by death amounted to only \$6,500 being less than half the interest receipts for the year.—*Monetary Times*.
