DOMINION BUILDING SOCIETY, Office, 55 St. James Street, MONTREAL.

APPROPRIATION STOCK—Subscribed Capital \$3,000,000. PERMANENT STOCK—\$100,000—Open for Subscription. Shares \$100 00 payable ten per cent quarterly.—Dividends of nine or ten per cent can be expected by Permanent Shareholders; the demand for money at high rates equivalent by compound interest to 14 or 16 per cent, has been so great that up to this Society has been unable to supply all applicants, and that the Directors, in order to procure more funds, have deemed it profitable to establish the following rates in the SAVINGS DEPARTMENT:

For sums under \$500 00 lent at short notice 6 per cent For sums over \$500 00 lent on short notice 5 " " For sums over \$25 00 up to \$5,000 00 lent for fixed periods of over three months 7 " " As the Society lends only on Real Estate of the very best description, it offers the best of security to Investors at short or long dates. In the Appropriation Department, Books are now selling at \$10 premium. In the Permanent Department Shares are now at par; the dividends, judging from the business done up to date, shall send the Stock up to a premium, thus giving to Investors more profit than if they invested in Bank Stock. Any further information can be obtained from F. A. QUINN, Secretary-Treasurer.

[Montreal, January 25,

"FACTS ARE STUBBORN THINGS." Thousands of human beings are yearly borne on the swift current of disease down to the grave, just because they do not possess a sufficient knowledge of themselves. A man meets his neighbor, and the first salutation is, "How are you?" or "How is your health?" The reply frequently is, "Oh, I am well, with the exception of a cold." Reader, do you know that a cold is one of the most dangerous of maladies?—A cold not only clogs up the pores of the entire system, and retards circulation, but it is productive of Catarrh, which is quite apt to lead to Consumption.

"Oh," you say, "it is nothing but a cold in my head." True; but that cold is really a mild form of Catarrh, and if not arrested in its course will become chronic. Catarrh is one of the most disagreeable, offensive affections in the catalogue of diseases. The passage to the nose is obstructed, the sense of smell impaired, and there is a disagreeable sensation of pressure in the head. In the more advanced stages, there is a discharge having an offensive odor. If the disease be allowed to continue in its course, thick, hard incrustations will form in the head, the tones of which sometimes become softened and break away in pieces. Why will persons continue to suffer from such an annoying, disgusting disease, when they can just as well be cured of it? Dr. Sage's Catarrh Remedy will cure the worst forms of Catarrh; in fact, it is the only sure and safe remedy which has yet been offered to the public. Many harsh, irritating preparations may, for a time relieve the urgency of the symptoms, but they do not cure the disease. Dr. Sage's Catarrh Remedy is soothing and healing in its effects, and when used with Dr. Pierce's Nasal Douche, according to directions, does not fail to effect a cure. Sold by all Druggists.
