Mercantile Summary.

HARVESTING is expected to be general throughout Manitoba in ten days.

An interim half-yearly dividend of four per cent. has been declared by the Bell Organ and Piano Co., Guelph.

"In getting through a failure successfully," said old Mr. Comrox, "a good deal depends on a man's lie-abilities."

The Moncton, N.B., agency of the Bank of Montreal has handsome quarters in the new building of the Y.M.C.A.

OFFERE LEBLANC, a small manufacturer of artificial stones at St. Henri, Que., has assigned, with liabilities of \$792.

New York retail grocers will erect a large building which will have a bowling alley and all the appurtenances of a first-class place of entertainment.

ESTABLISHED more than a hundred years ago, the Hudson Bay Company's post at La Cloche, Man., has now been closed through a scarcity of furs.

THE Western Milling Company (limited) is the name of a new concern seeking incorporation at Regina. The promoters intend to build a new elevator before Nov. 1st.

LEMONS are a glut in New York market. Three steamers arrived one day last week having on board 50,000 boxes. The owners do not know what to do with the fruit.

THE Glendon Company, dealers in lumber, in Boston, Mass., has failed. It has a mill at Milledgeville, N.B. An official statement of the company's standing in March last gave the liabilities at \$210,843, and nominal assets \$431,839. Speculative building is given as the chief cause of the trouble.
