BRIEFLETS.

Rev. Father Corbeil will start for Vancouver on his way to the Klondike Thursday.

Mr. M.C. Cameron, M.P., will certainly be Lieutenant-Governor of the Northwest Territories.

A Galician Roman Catholic priest is now settled in the St. Albert diocese for the benefit of those who speak his language.

Mrs. J. A. Richard and Miss Richard returned from California last Thursday morning and have taken rooms at the Manitoba hotel.

The Very Rev. Mother General of the Grey Nuns arrived at the St. Boniface Mother House last Saturday, accompanied by Sister Boulanger.

Mrs. Hagarty, of Portage la Prairie, is staying at St. Boniface Hospital with her youngest daughter, who has lately undergone a severe but successful operation.

Rev. Fr. Beaudin, O.M.I., spent a day in Rat Portage last week and was enthusiastically welcomed by his former parishioners. He brought back several choice trees which he has since planted in the Archbishop's garden.

The AVE MARIA states that Aubrey Beardsley, the young artist who died last month, was sincerely converted to the Catholic faith six months before his death. His crucifix, during his last days, was seldom out of his hand.

The many friends of Dr. Barrett, late house surgeon of St. Boniface Hospital, will be glad to learn that, far from being dead, as was rumored last week, he is in a fair way to recover from the pneumonia which attacked him on his journey to the Klondyke.

Not more than one hundred and fifty persons heard Mr. Marion Crawford's lecture last night. The entrance, fifty cents, was too high. It is to be hoped that there will be a larger attendance to-night when he lectures on Leo XIII and that the faith of the lecturer will not be kept so severely in the background as it was last night, when he spoke of "Italian Home Life in the Middle Ages."

Miss Faith Fenton and one of the Victoria nurses visited St. Boniface Hospital last Thursday morning. All the three nurses were anxious to go there, as they had never seen a hospital directed by nuns; but Miss Powell, the head nurse, felt it her duty to go the Winnipeg General Hospital, and it was impossible to visit both institutions. "Faith Fenton," in her vivacious way, declared that St. Boniface was the first hospital

which left her in good spirits, for everybody, from the Sisters to the patients, seemed so happy there.

Rev. Father Messier, Pastor of the Cathedral, is undergoing treatment at St. Boniface Hospital; so is Rev. Father Grenier, S.J.

Mrs. Blake, of Portage la Prairie, who has been under treatment for ten days past at the hospital here, is now steadily improving.

The Report of the Minister of the Interior, just received from Ottawa, contains quite a number of half-tone pictures from photographs. One of its most interesting features is the report of the Lieutenant-Governor of Keewatin, describing His Honor's trip to the north last summer.

The Free Press publishes an interview with Fr. Drummond in which he says he will reply to the Rev. Hugh Pedley's rejoinder to his lecture on the Prophet Daniel. The date and place of this second lecture by Father Drummond in defence of the traditional view of this inspired book will be announced in due time.

Mr. F. Marion Crawford was the bright particular star of the New Orleans Winter School at which he gave four brilliant lectures. On the occasion of the last lecture hundreds had to be turned away from the door of the packed hall. Those who have met him say that he is as charming a talker as he is an interesting public speaker. Both his accent and intonations are English in the very best sense, although he is an American citizen. Mr. Crawford's manner is delightfully simple and natural. While in no way obtruding his own personality, he is ever ready to answer any questions about his past and his method of work. One can see that at bottom he is proud of being a Catholic, though unfortunately some of his lectures do not produce that impression.

St. Boniface College.

THE ONLY Catholic College In America...

That competes annually with half a dozen Protestant Colleges & Collegiate Institutes in pupils, St. Boniface College...

Has Won... More Scholarships Than any of its Protestant Competitors.

Read the following extract from the NORTHWEST REVIEW, July 8th, 1897:-

The students of St. Boniface College came off with even more than usual success. They captured the two scholarships for Greek, Achilles Rousseau, of the previous year, winning the coveted \$40 over 26 competitors from his own and other colleges, and Jean Arpin the corresponding \$25 in the Preliminary over twenty competitors. As our candidates numbered only eight against forty from three other colleges, this double victory redounds greatly to their credit. Moreover Achilles Rousseau was fourth out of seventy-seven in Latin and Algebra, Antonin Dubuc was first out of one hundred and thirty from St. Boniface, Winnipeg, Portage la Prairie, Brandon and Regina, in the Latin of the Preliminary. The French and History scholarship of \$60 in the Previous was won by Fortunat Lachance. In the Latin course of Mental and Moral science, Marius Cinq-Mars took his B. A. degree with first class honors and the Silver Medal, while Noel Bernier and E. J. Golden divided the two scholarships in the Junior B. A. year, receiving \$100 each. The only other student in this year, Gustave Rocan, obtained first class marks in all the honor papers of his course. The St. Boniface candidates maintained their long established reputation for thoroughness in the past subjects, Cinq-Mars being second out of twenty-eight in Latin and first out of thirty-three in Physics. Not one of the St. Boniface men failed in anything.

Every woman should realize that her health is like a bank account. At the outset she has so much deposited to her credit in the bank of health. If she draws out more than she puts in she will soon overdraw her account. An over-drawn account in the bank of health means one of two things, a life of hopeless suffering or an early death.

The woman who neglects her health in a womanly way is making big drafts on her account with the bank of health and will soon be a physical bankrupt. Disorders of this description wreck a woman's general health quicker than anything else in the world. They soon transform a healthy, happy, amiable woman into a weak, sickly, fretful and despondent invalid. They utterly unfit a woman for wifehood or motherhood. For all disorders of this nature Dr. Pierce's Favorite Prescription is the best of all medicines. It acts directly on the delicate and important organs concerned in maternity, giving them health, strength, vigor and elasticity. It relieves pain, allays inflammation, checks debilitating drains, and quickly subdues all other symptoms. It at once stops the dragging pains and sinking spells, the nervousness, the digestive disturbances and other complications that arise from the same cause. Taken during the months of expectant maternity, it makes the usual discomforts and banishes baby's advent easy and almost painless. It insures the new-comer's health and a plentiful supply of nourishment. Thousands of women have testified to its marvelous merits. An honest dealer will not suggest an inferior substitute for the sake of extra profit.

BUYING DRUGS

Is entirely a matter of confidence, as in no other business is sophistication easier; nor does any other avenue afford so ready a means of disposing of worthless articles. You can buy a pair of shoes for \$1 or \$10-it's entirely a matter of quality. There is as much difference in the quality of drugs as there is in shoes, except in purchasing one you can use your own judgment, in buying the other you are entirely dependent upon the honesty and judgment of the Druggist. In one case it is only a matter of comfort and appearance, and in the other frequently of LIFE or DEATH. You can always rely with the utmost confidence on the DRUGS and Medicines which you get at
