

Those who believe that Dr. Sage's Catarrh Remedy will cure them are more liable to get well than those who don't.

If you happen to be one of those who don't believe, there's a matter of \$500 to help your faith. It's for you if the makers of Dr. Sage's remedy can't cure you, no matter how bad or of how long standing your catarrh in the head may be.

The makers are the World's Dispensary Medical Association of Buffalo, N.Y. They're known to every newspaper publisher and every druggist in the land, and you can easily ascertain that their word's as good as their bond.

Begin right. The first stage is to purify the system. You don't want to build on a wrong foundation, when you're building for health. And don't shock the stomach with harsh treatment. Use the milder means.

You wind your watch once a day. Your liver and bowels should act as regularly. If they do not, use a key.

The key is—Dr. Pierce's Pleasant Pellets. One a dose.

**CAMEL-HAIR BELTING**

Is as straight and as uniform in section and density as it is possible to make a belt. After working some time, the wearing faces of Camel Hair Belts obtain a smooth, finished appearance, and grip firmly; not fray on the edges; might be cut up the middle with a saw, and the two narrow belts so made set to work again; have but one joint, and being of uniform thickness throughout will run with remarkable truth, and do very heavy work; is the only satisfactory belt in wet places, in Dye Houses, Refineries, in steam, water, or great heat.

**Breaking strain of 6 in. Camel Hair Belt is 14,181 lbs. Breaking strain of 6 in. Double Leather is 7,522 lbs.**

We caution users against spurious makes of belting offered under deceptive names, intending to convey the idea that it is our Camel Hair Belting.

**CAMEL HAIR BELTS** are unexcelled for "Dynamos," Saw Mills, Paper Mills, Pulp Mills, Dye Houses, Sugar Refineries, Cotton Mills, Woolen Mills, Machine Shops, Agricultural Machines, Pumping Machinery, and Main Driving generally.

**CANADIAN INDIAN RESEARCH AND AID SOCIETY.**

The Annual Meeting of the C. I. R. A. S. and the Indian Conference which were to have taken place in Toronto on May the 14th and 15th have been postponed till September next.

The local committee of arrangements met in Toronto on March 30th, and it was then decided that September being Exhibition month, and travelling rates consequently more reasonable, also Indians being better able to leave their farms at that time than in May, it would be a far better and more convenient time for holding both the Annual Meeting and the Conference.
