

BEATEN On Their Own Ground!

Mr. J. E. Doerr, of Winnipeg, after studying Latin for a few months by the *DeBrisay Analytical Method*, headed the list of four hundred candidates at a Latin examination last July. He never opened the authorized text-book until within three weeks of the examination, and did not touch the authors (Cæsar, Nepos and Virgil) until within six weeks of the examination. He says that a student who follows our system can read as much Latin in six weeks as is usually covered in a year by a collegiate student. Every one who tries our method-praises it. We teach by mail Latin, French and Spanish. Send for free circular.
