

## **C. Computer Services and Telecommunications-Network-Based Enhanced Services**

### **Article 1: Objective**

The objective of this Sectoral Annex is to maintain and support the further development of an open and competitive market for the provision of enhanced services and computer services within or into the territories of the Parties. The provisions of this Sectoral Annex shall be construed in accordance with this objective.

### **Article 2: Scope and Coverage**

This Sectoral Annex shall apply to any measure of a Party related to the provision of an enhanced or computer service by or on behalf of a person of the other Party within or into the territory of the Party.

### **Article 3: Rights and Obligations**

1. This Chapter shall apply to all measures covered by this Sectoral Annex, which includes measures related to:

- a) access to, and use of, basic telecommunications transport services, including, but not limited to, the lease of local and long-distance telephone service, full-period, flat-rate private-line services, dedicated local and intercity voice channels, public data network services, and dedicated local and intercity digital and analog data services for the movement of information, including intracorporate communications;
- b) the resale and shared use of such basic telecommunications transport services;
- c) the purchase and lease of customer-premises equipment or terminal equipment and the attachment of such equipment to basic telecommunications transport networks;
- d) regulatory definitions of, or classifications as between, basic telecommunications transport services and enhanced services or computer services;
