

3. It is prohibited to use remotely-delivered mines other than anti-personnel mines, unless, to the extent feasible, they are equipped with an effective self-destruction or self-neutralization mechanism and have a back-up self-deactivation feature, which is designed so that the mine will no longer function as a mine when the mine no longer serves the military purpose for which it was placed in position.
4. Effective advance warning shall be given of any delivery or dropping of remotely-delivered mines which may affect the civilian population, unless circumstances do not permit.

Article 7

Prohibitions on the use of booby-traps and other devices

1. Without prejudice to the rules of international law applicable in armed conflict relating to treachery and perfidy, it is prohibited in all circumstances to use booby-traps and other devices which are in any way attached to or associated with:
 - (a) internationally recognized protective emblems, signs or signals;
 - (b) sick, wounded or dead persons;
 - (c) burial or cremation sites or graves;
 - (d) medical facilities, medical equipment, medical supplies or medical transportation;
 - (e) children's toys or other portable objects or products specially designed for the feeding, health, hygiene, clothing or education of children;
 - (f) food or drink;
 - (g) kitchen utensils or appliances except in military establishments, military locations or military supply depots;
 - (h) objects clearly of a religious nature;
 - (i) historic monuments, works of art or places of worship which constitute the cultural or spiritual heritage of peoples; or
 - (j) animals or their carcasses.
2. It is prohibited to use booby-traps or other devices in the form of apparently harmless portable objects which are specifically designed and constructed to contain explosive material.
3. Without prejudice to the provisions of Article 3, it is prohibited to use weapons to which this Article applies in any city, town, village or other area containing a similar
