WHEAT AGREEMENT EXTENDED

Mr. Robert H. Winters, the Minister of Trade and Commerce, announced in the House of Commons on May 4 that the Canadian Chargé d'affaires in Washington had recently signed, on behalf of the Government, a protocol extending the current International Wheat Agreement without amendment for a further year, to

July 31, 1967. The International Wheat Council had agreed at its session in November 1965, Mr. Winters explained, to recommend this second one-year extension of the Agreement to member governments in view of the continuing negotiations in the "Kennedy round" for comprehensive arrangements covering cereals generally.
