

Citizenship

Although there are one or two good provisions in this bill, the two shortcomings to which I alluded make the bill unacceptable to me. For that reason I suggest we should not adopt it in its present form. Others have mentioned humane application of our immigration laws. Parts of this bill will, it is hoped, make the application of our immigra-

tion laws easier and more humane. May I call it six o'clock?

Mr. Deputy Speaker: Order, please. It being six o'clock, this House stands adjourned until tomorrow at 2 p.m.

At six o'clock the House adjourned, without question put, pursuant to Standing Order.
