Mr. A. P. S. Glassco, B.Sc.,
Secretary McGill University,
Montreal.

Dear Mr. Glassco,

I am exceedingly grateful to the Principal, yourself and the other members of the Finance Committee for your and their most generous action with regard to my pension. It exceeded my highest expectations.

I see that you were across in the "old country" last summer. I hope you had a thoroughly enjoyable and helpful holiday.

Again thanking all concerned in this matter of my increase in pension,

Yours very sincerely,
J. Nicholson
