

November 5th 1919.

Editor "The Gazette",  
Montreal.

Dear Sir:-

I am enclosing a statement with  
reference to a gift which has just been made to  
the McGill University by the University of Paris.

As this is, in a way, an international  
courtesy, I thought that, perhaps, you might  
like to refer to it in your paper.

I remain, yours very sincerely,

FDA/mc.

Acting Principal.
