Jacksonville, Florida.

Dear Sir:-

I beg to acknowledge receipt of your letter of October 19th with reference to Cancer Cure which was addressed to Sir Arthur Currie.

Sir Arthur has asked me to say to you that Lord Atholstand has left the decision of the award of the \$100,000 offered for a cure for cancer to the Royal College of Physicians and Surgeons, London, England, and it will be necessary for you to submit your cure to them. You must first satisfy a recognized medical faculty or a leading medical society in your own country that there is some scientific basis to justify experimental investigation of the professed cure; and that any cases successfully treated were, in fact, cases of cancer.

If you will write to the Royal College of Physicians and Surgeons they will give you all further particulars necessary.

Yours faithfully,

Principal's Secretary.
