Sir Arthur Currie,
Principal, McGill University,
Montreal.

Dear Sir Arthur:-

I am sending you herewith, a number of the University of Toronto Monthly containing a contribution on Democracy and University Government and a note on the procedure recently adopted in the University of Toronto, in the selection of a Dean for the Faculty of Arts. In view of the conversation we had last summer I think that this presentation of my views may be of interest to you.

Yours faithfully,

J.F. Snell,

Professor of Chemistry.
