

*To the Governors of the Montreal General Hospital.*

GENTLEMEN,

Having become aware that Dr. Drake intends tendering his resignation of the position which he holds in the Montreal General Hospital, on the 1st May, I beg to present myself as a Candidate for the office of House Surgeon of that Institution, should it thus become vacant.

In doing so, I beg leave to lay before you the following Testimonials to my qualifications to fulfil the duties of House Surgeon.

I would premise that I am a Master of Arts of Queen's University, and that during my arts' course I obtained First Prizes in the Natural History and Mathematical Classes. After graduating in Arts, I entered the Medical School of the same University, and, after the third year of my medical course, spent nearly five months in two large American Army General Hospitals. The following spring I graduated
