

women, and children in this village assisted the masons and carpenters in procuring timber, stone, and lime, and in every possible part of the labour.

It is a work which does honour to their zeal, and is an ornament to a very pleasant country, contiguous to fertile islands, and the waters of the river St. Laurence. Mountains towards the southwest are seen, which are in the State of New-York, and neighborhood of Lake Champlain--Roads from hence, and from an American plantation, making on the side of the States opposite Johnstown, or Oswegatche, will expedite the communication with Albany and New-York, and shorten the present route more than one hundred miles. The country is well calculated for this purpose.

The British nation pay a salary to the Catholic minister of St. Regis, and a presbyterian minister on the opposite shore. At Cornwall and Johnstown, they are about to erect and maintain churches and academies, and a sum is assigned for the purpose.

Kingston is a considerable town in the Up-
