

Pictou and Annapolis, A. H. Mackay. Commonly planted, Dr. Lindsay. Windsor, Hants, planted, Dr. How.

ACER PENNSYLVANICUM, *Linn.* Striped Maple. Snake Maple. Moosewood. Striped Dogwood. These names refer to the green glossy bark striped with dark blotchy lines. In wet woods, not rare in Halifax County; abundant around Sandy Lake.

Truro, ravine back of Terrace Hill Cemetery; the Falls, etc., common, in flower June 11th, 1884, Dr. G. C. Campbell. Windsor, Dr. How. Pictou, A. H. Mackay.

ACER SPICATUM, *Lamarck.* Spike-flowered Maple. Bush Maple. Rockingham, near Halifax, on the bank between the road and salt pond near St. Elmo Hotel, and at other points around Bedford Basin, as near Prince's Lodge, and on the Dartmouth side, but usually as single examples, and not common.

Truro, wooded banks at Bible Hill, Dr. G. C. Campbell. Windsor, Dr. How. Pictou, A. H. Mackay. Halifax, Drs. Somers and Lindsay.

ACER SACCHARINUM, *Wang.* Sugar Maple. Rock Maple. In the drier woods, rather scarce in Halifax County.

Windsor, Dr. How. Halifax and Cape Breton, Dr. Lindsay. Pictou, A. H. Mackay.

ACER RUBRUM, *Linn.* Common Maple. Red Maple. (Twigs reddish, flowers bright red, leaves changing to bright red tints in autumn.) Very general and abundant, especially along the courses of streams, and on the banks of lakes, in Halifax County.

Truro, on borders of swamps, and in wet woods, common, Dr. G. C. Campbell. Windsor, Dr. How. Pictou, A. H. Mackay.

ACER PSEUDO-PLATANUS, *Linn.* Plane Tree. Sycamore. Planted for ornament in Halifax city. Canning, King's Co., E. A. Thompson, 1873.

NEGUNDO ACEROIDES, *Mæench.* Not indigenous in Nova Scotia, but occasionally planted as an ornamental tree. In Public Gardens, and elsewhere in the City of Halifax.
