Men! Before You Buy Your New Fall Suit

Investigate for yourself the values offered in the EATON'S Clothing Dept. Featured for today are tweeds in various weaves, Scotch tweed effects, worsteds in many shades or hand-tailored suits—priced at \$40.00, \$32.50 and \$27.50. These are truly representative of the EATON value and a collection of suits well worth your seeing.

Take for instance, these Hand-Tailored Suits of cloths obtained a year ago—cloths if bought today could not be sold for anything like \$40.00. Most of them are EATON tailored; have been thoroughly shrunk and sponged; and are in the most appealing hairline stripes and patterns. Most of them are of worsted finished tweed. Twist the cloth! Turn it! It springs back immediately into its former shape, still retains its immaculate appearance. That's one of the tests of quality in a cloth. They're suits that should please the men who wear the best—and certainly present a heaping measure of value at \$40.00.

Amongst them are cloths with a blue ground, with a very narrow thread stripe of dark green; handsome dark greys in pin check patterns; mid-greys showing a fine twill; navy blue with a medium wale, or dark grey mixed with blue and grey, showing a plaid pattern. All are in dressy worsteds in single-breasted 3-button sac style. Sizes 36 to 44. Price, \$40.00.

Those at \$32.50 are in single-breasted style, with shapely lapels of medium length, coats have nicely rounded corners, shoulders are well formed. You may choose a fancy worsted in a new shade of brown, in a pin check pattern, or a greenish grey worsted, with golden thread stripe, or a plain dark green cloth in soft shades, or navy blue cheviot serge in a rich finish and in double-breasted style, or a dark grey tweed with black stripe. Price, \$32.50.

Those at \$27.50 are in single-breasted, three-button sac style, with medium length lapels; back is slightly shaped to form, shoulders are the natural width, and collars fit close. Of tweed in various weaves, old Scotch tweed effects, and the closely woven fabrics, and in rich brown with a red mixture, a brown with black stripe, a green and golden brown, fancy mixtures and dark greys with red stripes. In all, an excellent selection to choose from. Sizes 36 to 44. The price, \$27.50.
