"THE TRUTH ABOUT FLORIDA." A recent issue of Saturday Night, Toronto, answering a correspondent who had inquired about a certain section of Florida, made statements which can be easily proved untrue. The Florida Grower, leading agricultural journal of the state, has undertaken to show the falsity of the allegations by testimony of men who know. The changes in the Saturday Night article will be repeated during the next two or three months, of experiences of prominent Florida men, each of whom came from a northern location. If you are fair enough to read the Florida Grower, send fifty-five cents for three months' subscription. Address, The Florida Grower, Tampa, Fla. Florida wants only justice.
