

## WHOLESALE DISPLAYS AT TORONTO HOTELS

Enterprising Method of Reaching  
Visiting Retailers During Ex-  
hibition Time.

"Make a noise like an order" is the pithy request of a wholesaler on his bulletin at the King Edward Hotel. During exhibition time the seventh and eighth floors of this hotel present in the many spacious sample rooms a comprehensive industrial exposition. Manufacturers from various Canadian cities and some from the United States have their representatives present with as complete displays as possible of their latest designs and productions. The retail merchants of the Dominion find these displays at the King Edward and at other Toronto hotels most attractive, and they result in a large number of orders being placed as a result of the enterprise of the manufacturers and wholesalers who adopt this method of reaching prospective customers. Among those at the King Edward Hotel are:

Burns & Wanstall, London, Ontario, boots and shoes, room 817; M. J. Burns, R. Gregory and D. W. Vance, representatives. Staunton, Limited, wall paper, room 864. ### BARTON ANNEXATION.

Order for Union With Hamilton Passed by Municipal Board.

The Ontario Municipal Board yesterday made an order for the annexation to Hamilton of that portion of Barton Township on the mountain, bounded by Wentworth-street on the west, on the south by the concession road, on the east by Lakeview-avenue extended to the brow of the mountain (the extension of the highway to take in the whole of the mountain to the east side thereof), and on the north by the brow of the mountain. The City of Hamilton is required to pay the township of Dec. 14, 1909, and thereafter annually for the period of the debtors' taxes, the sum which the property to be annexed would have been liable to contribute for payment of loans and debentures issued on behalf of school section No. 4 of the township for school purposes, if the property had remained part of the school section; and interest on other good roads debentures issued on behalf of the territory. A four-foot cement sidewalk is to be constructed on the fourth concession and on Sherman-avenue by the township, the city and township to share equally in the cost, and the city to maintain it. Until the city has taken operation a water supply for the annexed territory, the city shall not increase the taxes above the rate fixed for 1908.

All bylaws of the city respecting water rates and waterworks shall apply to the annexed territory. The order took effect yesterday.

### SALE CALENDAR.

Dairy cattle, farm stock and implements of Geo. L. Stotts, Claremont, Sept. 23.

Would Free "Lord" Barrington. ST. LOUIS, Sept. 3.—The British Government has taken steps to receive the "Lord" Barrington case on the strength of data apparently pointing to the innocence of the man now serving a life sentence in Jefferson City for killing James P. McMan, the horseman, in St. Louis County in 1903.

Absence of Serious Crime. Crown attorneys in all parts of the province report an absence of serious crimes, very few criminal cases being down for the fall assizes.

The estate of the late John Squire, butcher, totals \$3200.

## AT OSOODE HALL

Writs Issued.

Giuseppe Casamassina has begun an action against Grant Brothers of Newmarket claiming damages for the alleged negligence of the defendants' workmen.

George Hamilton Leslie claims that on the 17th June last he was run down by an automobile belonging to Walter McKeown. Leslie is now claiming \$3000 for the injuries he sustained.

Jennie Johnson alleges that F. W. Bickett wrongfully retained \$600 belonging to her. She has now issued a writ to recover the money.

The Canadian Newspaper Co. is asking the court for a mandatory order to compel the executors of the estate of R. G. McLean to print and publish the August issue of Outdoor Canada, pursuant to the terms of a certain agreement.

Hartman & Smiley of Cobalt have found it necessary to issue a writ to collect \$283.91 for solicitors fees in connection with work done for Mrs. Mara Fung and Chen Yen.

To recover \$1278.30 on overdue promissory notes, Joseph M. Walker has begun proceedings against William A. Thomas of the Township of Whitchurch.

Master-in-Chambers Cartwright upon consent of the plaintiffs, dismissed the action brought by Gentle & Travis against Philip Manufacturing Co.

The application of The Canada Struckry Co. to have the jury brought struck out in the action brought against it by Samuel J. Harrie for \$1000, for alleged arrears of wages, was granted by Mr. Justice Anglin.

Toronto an order was made by the court to wind up the Canadian Oil Fields, Ltd. The company was incorporated in 1907 with its head office at Petrolia.

The capital stock of the company is \$100,000, of which \$71,736 are said to be subscribed. Major-General Sir William J. Harrie is president of the company. John D. Noble is appointed interim liquidator and a reference is directed to the master at Hamilton.

Mr. Justice Anglin granted the application of the Dearborn Duster Co. for an order winding up The Skeddens Bros. Co. of Hamilton. The company was incorporated in 1903 with a capital stock of \$40,000. An indebtedness of \$10,000 is due the Bank of Hamilton. Walter Anderson was appointed interim liquidator and a reference directed to the master at Hamilton.

Altho there were a dozen motions on the single court list for hearing, the court got thru the list in 20 minutes. In nearly every case adjournments were asked and an enlargement for two weeks was the result.

Miss Ida Blanche Grant, daughter of the late Malcolm Grant of South Gower, Grenville Township, was given \$300 out of her father's estate by Mr. Justice Anglin to enable her to take a Normal school course. She is 19 years old.

### MAY BE A MURDER.

Young Man Seriously Wounded at Dance Over Border.

CORNWALL, Sept. 3.—Roy Aubrey of North Barrington, N.Y., across the river from here, was shot and severely wounded at Dickinson Centre, N.Y., on Tuesday night.

His story is that along with other young men he drove to what he believed to be a dance. Their presence was resented and one of the parties in the house fired on them, with a shotman where he was struck in the abdomen, where he has an ugly wound, evidently caused by a slug.

Louis Peters was stabbed near the heart at Cornwall wharf to-day by another young Indian, Mitchell Oak, who escaped. Peters' condition is very serious.

### THE DOCTOR'S BILL.

Small Difference of Some Twenty Thousand Dollars—May Have to Sue.

ST. LOUIS, Sept. 3.—A trifling little difference of \$20,000 in a doctor's bill for professional services may possibly result in a lawsuit against Adolphus "The Millionaire" brewer.

The widow and the son-in-law of Dr. Luedeking, in settling up the affairs of his estate, discovered that the doctor had not sent Mr. Busch a bill for several years prior to the former's death, so they sent Mr. Busch a bill for \$65,000.

Mr. Busch thought that a little high and offered \$35,000 in settlement. This offer was declined.

### ENDS LIFE AT 83.

John McInnis of Guelph Township Drinks Paris Green.

GUELPH, Sept. 3.—(Special.)—"Never mind, don't cry for me, I'm all right." These were the dying words of John McInnis, 83, con. 4, Guelph Township, who succumbed from the effects of taking a large quantity of Paris green. He was over 83 years of age and well known. For some time past his wife and family noticed that he was old and he was growing more and more despondent. He leaves a widow, his second wife, who was a daughter of the late George Crane, and one daughter, who lived with him.

Runaway Accident at Funeral. While the largely attended funeral of the late Mrs. Geo. Smith of Guelph Township was in progress, a horse driven by Robert Armstrong of the Elora-road, Guelph, took fright and ran amuck among the other horses and carriages in the procession. Mrs. Armstrong was thrown out and sustained several nasty wounds. The horse, a bay and black, while Armstrong, who had to the reins until the horse had kicked itself free of every vestige of harness, escaped with some bad bruises.

Frank Arnold of Leamington was killed by the C.P.R. midnight express at Chatham.

## POLITICAL INTELLIGENCE

Hon. George P. Graham was in Toronto yesterday conferring with some of the provincial Liberal workers. He was asked regarding the appointment of Hon. Thomas Greenway, W. A. Galt, M.P., and Mayor D'Arcy Scott of Ottawa, as railway commissioners, and he denied that any appointments had been made. The matter had never been discussed in council.

It is believed, however, that these men will be appointed in the near future.

And now word comes from Peterborough that Hon. J. R. Stratton may be given the Liberal nomination in West to the Dominion election.

Peterborough at an open convention Saturday, R. R. Hall, M.P., having consented to stand aside. Mr. Stratton has 1904 in the past, the last time he stood for election, but he has not been back to back out all threats to stand against his services. This circular reads as follows:

"After the Dominion general election of 1904, I actively took up the practice of law in the City of Ottawa. I had been secretary for the Liberal party in the Ontario provincial general election of 1894, 1898 and 1902, and 1904. At present I am in receipt of considerable correspondence on political matters, and while I desire the triumph of the Liberal party, I must ask that correspondence on matters of speech and short pamphlets be directed to the Liberal organizer for each province. Whenever the writs for the next Dominion election are issued, a supply of handbooks for editors and speakers will be sent direct to each Liberal candidate to be distributed by him."

The foregoing statement conveys more information in that it does not state that the Liberal party is in the hands of a few editors and speakers, while Mr. Smith wishes to see the Liberal party he will take his own way of carrying out his wishes.

A. E. Baker writes The World agent The Globe's election prophecies: "The general election of 1912, of January, 1914, the Hon. J. R. Stratton had a majority of over 90 in the house."

When Mr. Mackenzie appealed to the voters on the 17th of September, 1898, there was a veritable "political earthquake" as he was overwhelmingly defeated. The fact that Mackenzie, on the meeting of parliament held at his back, being a turn over of 78 constituencies.

Geo. D. Grant, M.P., has handed in his resignation to the executive association of North Ontario. The Liberals will hold it on Tuesday to-day to look over the situation.

A young Liberal club has been organized in Merriton.

Major Hugh Clark, J. H. Carnegie and T. E. Bradburn, M.A.'s, were at the parliament buildings yesterday.

James Connors, M.P., has again been chosen by Thunder Bay and Rainy River Liberals.

Both parties have candidates in the field in the seven ridings of Alberta.

Premier McBride of British Columbia is taking an active part in the Dominion contest. The first round of the federal campaign boom from the little town of Sydney. It was fired by Premier McBride and a dozen of the leading Conservatives of "Victoria and Nanaimo at what was perhaps the most enthusiastic and successful political gathering ever held on the island, a great Conservative convention, the Conservative candidate for this district in the federal house.

Hon. Clifford Sifton has stated definitely that he is willing to accept the Liberal nomination for Brandon. Dr. Harcourt, chairman of the Liberal executive committee, received a letter from Mr. Sifton, in which he expressed his willingness to accept the nomination, and he was unanimous wish of the Liberals of the riding. There is no doubt whatever that Mr. Sifton will be the unanimous choice of the convention on Sept. 22.

The Liberals in New Brunswick have candidates in all constituencies except York and St. John. The Conservatives have still to find candidates for Kent, Gloucester, Restigouche and Victoria-Madawaska. All over the country the parties are lining up for a contest which promises to be waged with far more vigor than the last federal campaign.

"The political situation in the Niagara district does not look any too promising for the Laurier government," writes a correspondent in Lincoln County, the re-election of E.

A Lancaster is practically assured, the it is admitted that Welland D. Woodruff will make a big effort to win. It is calculated that the nine hundred majority given Dr. Jessop in the recent provincial contest will be reduced to a bare majority in the Dominion election. For the Dominion, however, the Townships of Calabar and Gainsborough, which are naturally Liberal, and have always given large majorities, will be in this constituency. There being no County of Monck for commons. With these two it is figured, nevertheless, that Mr. Lancaster will have a substantial majority.

Welland County the result seems to be doubtful. M. M. Gorman, the present member, is in danger of the loss of his seat. A prominent Liberal of Thorold, while voicing no complaint, told The World the other day that he had grave doubts if Mr. Gorman could carry the county. Gorman is not the man he was; his organization has not been kept together. The Liberal forces are scattered and disheartened. On the other hand the Conservative candidates are aggressive, his organization is perfect and everywhere he is meeting with promises of support and untiring victory.

In Hamilton Mr. Lalor, the present Conservative member, can defeat any man brought out against him."

Joe Martin in The Empire Review, writing on "The Empire Rule in Canada," says: "Never in the history of Canada has there been so much corruption in public life as during the past 12 years." Mr. Martin complains of the great difficulty in obtaining information from the government regarding the grants for the government issue an official gazette the grants are not made public. According to Mr. Martin, individual members of parliament, supporting the government, are allowed to have any opinions of their own or to oppose or to support the course decided upon by the cabinet.

## TENDERS CALLED FOR TRANSFORMER STATIONS

Million Dollar Contract to Be  
Given by Hydro Power  
Commission.

At a meeting of the provincial cabinet yesterday afternoon, an order-in-council was passed authorizing the hydro-electric power commission to enter into a contract with P. H. McGulgan for the construction of the transmission line from Niagara falls to the Western Ontario municipalities which have undertaken to use Niagara power.

The hydro-electric commission yesterday decided to call for tenders for the erection of transformer stations, the tenders to be in by Sept. 23.

The contract was estimated at a million dollars, and fourteen stations will be erected, including a step-up station at Dundas.

The specifications will be sent to the leading firms of Canada and the United States. They call for apparatus capable of handling 10,000 volts, a higher voltage than is handled anywhere else in the world, the record so far being 10,000 volts, handled by the Grand Rapids & Muskegon Power Co., which has been operating in Michigan since 1904.

It is said that the higher the voltage the less is the loss in transmission. The proposed plant will be a series of substations, the far west as Windsor and as far east as Kingston. Steps will be taken to enlarge the area within which the commission has been working. A million dollars will be taken to enlarge the area within which the commission has been working.
