

## DELIVERIES IRREGULAR ON STOCK MARKETS

Severe Storm Monday Caused  
Delay in the Shipment of  
Cattle.

## GOOD TRADE YESTERDAY

Little Activity in Milkers and  
Springers and Prices Were  
Steady.

The receipts of live stock at the Union Stock Yards on Tuesday were 56 carloads, 935 cattle, 693 hogs, 50 sheep and 40 calves and 97 horses.

On account of the severe storm, traffic was delayed and this would no doubt account for the light run of live stock and for some days the deliveries will be irregular.

Butchers' Cattle—About 800 would be the number on sale, probably not so many, as there were several loads that came in too late to be sold. There was active at steady to strong prices with money, and farmers will do well to finish all offerings before shipping them to the market.

Stockers and feeders—There were few lots of feeders and stockers on sale, but quite enough to supply the demand. Values were unchanged.

Milkers and springers—There was no particular activity visible on this market and prices were quoted steady.

Veal Calves—Only 32 were reported on sale, not a quarter of the demand, and prices were exceedingly firm.

Sheep and Lambs—Only a handful of sheep and lambs. One dealer stated that his customers could not get a look at the prices were more than firm.

Hogs—Six hundred and ninety-three was the number reported. Any one of the abattoirs could have easily handled the lot. Prices advanced 25 cents over our quotations of Monday. Hogs, fed and watered, sold at \$10.25 to \$10.40.
