RATES FOR NOTICES

WILL I EKWINATE WAR British Expert Says German Fleet Will come Out When Land Operations have Failed. According to Mr. Arthur H. Polien, the noted Braish expert on naval war-fare, who spoke at the Navy League meeting in Convocation Hall last ight, and today will give two ad-

with the alkes, provided the allied of-feasive on the western front is made so strong that to withstand it will be an impossibility for Germany. Air. Poilen has been in the United States since June and in close touch with the American naval omcers. He

# has for a long time been an advo-cate of co-operation among the alto his mind, an important factor in the direction of ultratestation of ultratestatio the direction of ultimate victory for the alles. Regarding the future action of Germany with respect to her fleet, the vistor to Toronto is of the op.n-ion that if Germany finds she cannot

history of the world will ensue. On the other hand if Germany thinks she can wear out the allies on the land she will keep her fleet intact and it will be made a powerful asset in the

mild be made a powerful asset in the final terms for Peace.

Recent developments lead Mr. Polley to think that the new allied naval of the Canadian Railway Board for National Defence; Sir George Burry, Council means that the navies of National Defence; Sir George Burry, Council means that the mayies of the Canadian Page. France and the United States will vice-president of the Canadian have greater prominence than in the past, and that the new council, which will in all probability be s.ationed in London, will work in close connection with the board of admiralty. The creation of the national council should go far to make up for any enterprise which fighting at sea has lost by comparison with developments on the land.

Yice-president of the Canadian Pacific Railway Company, and W. M. Neal, general secretary of the association, were in New York today to have a conference with members of the American Railway Association, in an endeavor to have the American railways send to Canada the Canadian cars that are now in the United States for an equivalent number of cars owned by allroads in the United States. by sailroads in the United States.

With regard to the submarine, the situation, according to the view of that there were 20,000 more Canadian-owned cars in the United States.

They pointed out at the meeting that there were 20,000 more Canadian-owned cars in the United States than during the past six months, at the there are American-owned cars in beginning of which it seemed as if it Canada, and that altho promises have would prove the deciding factor in been made that Canadian or Ameriending hoselities. Now things are can cars would be sent from time to widely different, only half the sinkings having occurred during the last three months which took place in the previous period of the same length. The tables are changed now in many directions. It is the calledon of Mr.

The Canadian Political Canadian Canadian Political Canadian Canadian Political Canadian C

vious period of the same length. The tables are changed now in many directions. It is the opinion of Mr. Pollen that the civilized powers must ultimately rule the submarine out of existence as an instrument of warfare, With all its terrors there is had a way because the Canadian roads had gained less than 900 cars.

Le Roy, Talma and Bosco, known in vaudeville as "Slaves of Mystery," will head ine the bill at Shea's Theatre next week in new and startling feats of magic and illusion. George McKay and Ottie Ardine have a new offering which they call "All in Fun." They have bright songs, chatter and musical specialties. "Two Lightning Bugs" is the title of the offering which serves to introduce O'Neal and Walmseley in a melange of mirth and melody. Bert Melrose, the international clown, keeps his audience alternately roaring with Stewart Downing and company present "Models de Luxe," depicting scenes from Paris' famous art galleries. Morris and Campbell have some bright laugh-provoking material, while outclure and Dolly are clever acrobats and jugglers. Benny and

"Syncopated Moments," are also features of the bill.

"Lillac Time" at the Grand.

"The sweetest play in all the world" is what "Lilac Time" has been called by many dramatic writers. It will be presented for the first time in Toronto at the Grand Opera House next week, with-Adelaide French and special New York company. Miss French will be seen in the role of Jeanine, the lovable and brave French girl, the char-

will headline the bill at the Hippodrome next week in one of the most intensely interesting murder stories that has ever been screened, when she will play the leading role in the Pathe release, "The Mark of Cain."
