ROOSEVELT EAGER TO WIN ACCEPTS TRUST EVIL'S AND CHARGE OF JUDGE PARKER

Democratic Nominee for President Declares President's Denial Doesn't Deny Receipt of Contributions to Campaign Fund.

New York, Nov. 6.—Judge Parker, in a speech made at a reception given to him by the Kings County Democratic Club in Brooklyn to-night, asserted that the issue, "whether the trusts can purchase the election" has not been met by President Roosevelt in his reply to Judge Parker's speech made twelve days ago.

Mr. Roosevelt in his statement, printed to-day, asserts that the charges made by Mr. Parker were "unqualifiedly and atrociously false."

Mr. Parker's charges are in effect that the president of the United States and Mr. Cortelyou, formerly Mr. Cleveland's executive clerk, then Mr. McKinley's and later Mr. Roosevelt's secretary, and now chairman of the Republican national committee, have been in a conspiracy to blackmail corporations. Mr. Cortelyou using his knowledge gained while he was secretary of the department of commerce and labor to extort money from the corporations, and President Roosevelt, having appointed him for this special purpose.

After stating what his position had been in that speech, Judge Parker said to-night that he had made no criticism of the president but that he had simply called attention to a "notorious and offensive situation." The judge said further that the president, after his attention had been called to the relations which might exist between Chairman Cortelyou and the trusts, by reason of Mr. Cortelyou's former position as secretary for the department of commerce and labor, should have said: "I will join Parker in an effort to protect the ballot of the honest citizen from being overriden by merchandise saloons."

The assertion was made by Judge Parker that the contributions he charged Chairman Cortelyou had received from the trusts are not denied by the president's statement. The Democratic candidate followed with a statement, directed to the president, to the effect that he (Parker) had received a million dollars for campaign purposes should he receive directly or indirectly from any trust that he has been so often feared that he is fettered in an effort to accomplish reforms that are sorely needed.

He charged Roosevelt with refusing to denounce in his statement after "intentional" Judge Parker directed to the president with this sentence: "I regret to see that the trusts are still in the hands of the people."

RHODES SCHOLARS WELCOMED.

London, Nov. 6.—The Isis, which is the Oxford undergraduate weekly, says:

The Rhodes scholars have come here not a moment too soon. They are likely to prove a most healthy cure for the blue indifference which appears with increasing frequency in the Oxford College captains. All branches speak of the enthusiasm with which the Rhodes scholars are supporting their kind of college interest. They contrast sharply with the apathy of many English freshmen.

JAPANESE GOVT. MUKDEN FOR USE AS WINTER BASE AND FOR GOOD EFFECT

Indications Not Lacking That They May Force an Issue, Tho St. Petersburg Believes Heavy Fighting is Thru for Season.

Military activity in the vicinity of the Shkabe River is limited to the extension and strengthening of entrenchments. There are indications that the Japanese have not given up the plan of seeking to force Gen. Kuropatkin into another general engagement, altho in military circles at St. Petersburg the belief is expressed that there will be no other big battle in the campaign this year.

JAPS WANT MUKDEN.

Mukden, Nov. 6.—Quiet continues here. The Japanese are still working hard entrenching their front, which begins to look like a continuous front. It is believed they are preparing seriously to advance, making their front held by a comparatively small force while the heavier force engages in flanking movements. The Japanese have learned by bitter experience not to expect much from a frontal attack.

There is considerable evidence to indicate that the Japanese will make every effort to force the Russian out of Mukden, not only for the moral effect on Europe, but on the Chinese as well.

Mukden, Nov. 6.—The Japanese continue to receive reinforcements, and it is believed that their advancing depends only upon accumulating sufficient men.

A DEAD-LOCK, UNLESS

St. Petersburg, Nov. 6.—The army organ to-day publishes a long list of new colonel appointments. Generalis Leinevich and Kaubers to the first and third armies respectively. The sweeping character of these changes made implies that there is no intention on the part of the Japanese to suspend the offensive during this year's campaign, unless an exceedingly favorable opportunity offers.

NO CONSIDERATION OF CANDIDATES FEEL TO OPPOSE THE PARENT GOVERNMENT

TO OPPOSE THE CONSERVATIVE PARTY IN THE PROVINCE OF QUEBEC.

Startling Announcement Made at Meeting of Recognized Party Leaders Held in Jacques Cartier Club on Sunday—Leader Flynn Issues a Sensational Manifesto.

Montreal, Nov. 6.—(Special.)—There will be no Conservative candidates placed in the field at the coming provincial elections in the Province of Quebec. This rather startling announcement was made at the close of a meeting of the recognized party leaders from Montreal, Quebec and Three Rivers, which was held here to-day in the Jacques Cartier Club. The advisability of the recognized opposition nominating candidates at the local elections has been discussed both here and in Quebec for some days past, and a negative decision was reached at noon.

Hon. S. J. Flynn, leader of the party in the legislature, presided, and the matter was discussed in all its bearings while Hon. Mr. Leblanc and a few others held that the party should put up a fight, the majority, perhaps wisely, ruled that as Premier Parent was playing with loaded dice a contest was quite impossible. Things in fact have reached such a pass that there is no room for public opinion other amongst the English or the French electors in Quebec.

The local government is simply the donkey engine of Sir Wilfrid Laurier, and people ask with a good deal of reason why should they be asked to support a party which is so completely controlled by the Premier Parent? As things go now at Quebec responsible government is a farce and a sham. The Premier Parent is a farce and a sham. The Premier Parent is a farce and a sham.

The Premier Parent is a farce and a sham. The Premier Parent is a farce and a sham. The Premier Parent is a farce and a sham. The Premier Parent is a farce and a sham. The Premier Parent is a farce and a sham.

They have been furnished with names and addresses of the voters in the state, and they are all attempting to vote under these names. Guard the deputies with reliable men. Use every lawful means to detect them."
