CROWN BRAND CORN SYRUP

Everybody's Favourite

Children think only of the sweetness and delightful flavour. On Bread, Toast and Griddle Cakes.

But "grown-ups" know of the splendid food value of this famous table syrup—how wholesome and nutritious it is—and far more economical than preserves, or butter and sugar, when spread on bread.

Get "Crown Brand" in the 3 pound "Perfect Seal" Glass Jar—or 2, 5, 10 or 20 pound tins, if you prefer.

COMMISSIONER TO PLANT POTATOES

Mr. Wigmore Makes a Good Move and Will Help to Expedite Plan

A plan to aid in reducing the cost of living for some hungry persons next winter has been mapped out by Commissioner Wigmore. The commissioner is going into potato raising, on a moderate scale, for the benefit of indigent citizens. The city potato patch is situated on the Loch Lomond road near the Silver Lake, and is the property of the city. The land is line sandy loam and is well adapted for the purpose. The caretaker will supply the soil with the necessary manure and fertilizer, and the only cost outlay will be the cost of the seed potatoes.

TO INSPECT LOCAL SECTION OF AMMUNITION COLUMN

Lieutenant-Colonel Mersereau of the 1st Battalion of the New Brunswick Regiment will leave tomorrow for Sackville to inspect the members of the No. 1 Section of the division ammunition column.

Very little has been heard of this unit since its authorization about four months ago, but it has been steadily securing recruits and has now a total strength of about eighty men. The unit is under the command of Lieutenant-Colonel Mersereau, who is well known in this city and who was, for a considerable period, attached to the 1st Garrison Artillery. This section, when recruited, it is understood, will proceed to Montreal, where the headquarters of the division are established under the command of Lieutenant-Colonel Carruthers. Sections for the depot are recruited in western Canada have already been removed to Montreal. So should No. 1 section receive orders to proceed to Montreal at an early date it would not come as a surprise in military circles.

GIVEN TWO SHOWERS

A shower was tendered Miss Laura Carleton, at her home, 224 King street west on Wednesday evening, when about seventy friends gathered and spent a very enjoyable evening. The young lady received many gifts, including silver, china, cut glass and linen. A special feature was the offering of the Sunshine Class, of which she is president, including a large basket trimmed with their colors, yellow and white, filled with all the red with ribbons and appropriate verse on each article. A bouquet of gladiolus made the lovely look very handsome. It was presented by Miss Vera Webb, and she read a very nice letter from the class. The evening was given to games and music, and after refreshments were served, the party disbanded in the small hours of the morning.

THOMAS J. BARNES DIES IN BOSTON

Many friends in St. John will hear with regret of the death of Thomas J. Barnes, which took place in the Carney hospital, Boston, yesterday, after a short illness. Mr. Barnes was a former well-known business man of this city, and previous to going to the states was a printer in Prince William street at the site of the present printing house of Barnes & Company, the members of which are the cousins of the deceased. His wife, who survives, was Miss Margaret Doherty, a daughter of the late George Doherty of St. John.

Mr. Barnes was about sixty-three years of age, and a son of the late Jacob Barnes well known in this city. Besides his wife, he is survived by four sons, Thomas, Austin, Jackson and George, all of Boston, and one daughter, Alice, also of Boston. It is not known yet whether the body will be brought here for burial or not.
