**Drops Seven More.**

Philadelphia, April 25.—Seven players were dropped from the roster of the Philadelphia American League Baseball club by Manager Mack last week before the team left for Boston. Four of those released were sent to minor league teams, and three were let go unconditionally. Sam Crane, shortstop, goes to Richmond; Hank Bostick, another infielder, to Norfolk; and Joe Sherman, outfielder and pitcher, to Jersey City, in the International League. Pitcher Garder goes to Newport News, while Volts, Hamilton and Reed are released unconditionally.

**News of the Boxers.**

Freddie Welsh, the lightweight champion, will have to cease his easy money-making campaign, as he has a dislocated left shoulder. It happened in his bout with a champion. He will not fight until Thursday night, and that meant the cancellation of several bouts, one of which was with Gilbert Gallant in Boston. He must give the shoulder a month's rest at least, and still it may mean his finish as a successful boxer. A rugged bout after the rest will tell if Welsh is done as a champion. He will not fight until Thursday night, and that meant the cancellation of several bouts, one of which was with Gilbert Gallant in Boston. **COULD NOT GO TEN STEPS FOR THE PAIN IN HIS KIDNEYS.**

When you get a pain in the back you may rest assured that it comes from degeneration of the kidneys, for were there not something wrong with the kidneys the back should be strong and well. Doan's Kidney Pills regulate the kidneys, and there is no further excuse for any kidney trouble to exist. What more needs to be said? While Doan's Kidney Pills are not a "balm for every ill that flesh is heir to," they are a positive, never-failing remedy for every disease that has its inception in the improper action in those delicate little filters of the blood, the kidneys.

Mr. Adaird Clever, Knapville, Ont., writes: "I was troubled with my kidneys for four years. They were so bad, at times, I could not go ten steps for the pain they caused me. My doctor could not do me any good. A friend advised me to use Doan's Kidney Pills. I bought five boxes, and now I have been cured for over three years. I will recommend them to whoever may be suffering from kidney trouble."

Doan's Kidney Pills are 50c per box; 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Millburn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."

**HAD DYSPESIA**

**So Bad Could Not Take a Drink of Water Without Suffering.**

Dyspepsia is one of the most difficult diseases of the stomach there is to cure. Use too much tobacco. You make the stomach work overtime. You make it perform more than it should be called on to do. The natural result is that it is going to rebel against the amount of food you eat. It is only a matter of a short time before dyspepsia follows.

That old, forty year old remedy, Burdock Blood Bitters, will cure the dyspepsia and will cure it to stay as we can prove by the thousands of testimonials we have received from time to time.

Miss Sarah McRae, Newfield, Ont., writes: "I write to say that I have used your Burdock Blood Bitters, and have found it the best remedy I have ever used for dyspepsia. Two years ago, I had stomach trouble so bad that I could not even take a drink of water without suffering. I took six bottles of B.B.B., and have been entirely cured, and can now eat anything without any bad after effects."

Burdock Blood Bitters is an old and tried remedy but on account of many substitutes we would ask you to be sure that our name appears on both the label and wrapper as this preparation is manufactured only by The T. Millburn Co., Limited, Toronto, Ont.

**Little Collins' Girl Also Had Stubbish Chronic Cough—Father Tells How She Was Restored to Health by Vinol.**

Lakeport, N.H., April 24.—"Our little girl, 8 years of age, was in a debilitated, run-down condition, and had a stubborn, chronic cough. While she did not have to stay out of school, on account of her condition, she was weak and ailing all the time and far from well."

"We treated her cough, but nothing seemed to help her until we tried Vinol, after which we noticed an immediate improvement. Her appetite increased and now she is strong and well and we can recommend Vinol to other parents who have delicate, ailing children."

GEO. A. COLLINS, Lakeport, N.H.

"What Vinol did for this little girl is for other weak and ailing children, because they need the tissue-building, strengthening and liver elements and the tonic iron that Vinol contains. It is delicious to the taste."

"That's why Vinol builds them up so quickly, and we ask parents of delicate children in this vicinity to try Vinol with the understanding that we will return their money if it fails to give satisfactory results."
