DECIDE TO RECALL MAYOR McLELLAN

United Organizations Unanimously in Favor of
Taking Necessary Steps at Once

Declare He Has "Acted Contrary to the Mandate of
the People"—Go on Record as Strenuously op-
posed to the Bodell Offer—Each Commissioner
to be Asked to State Definitely and Publicly
Just Where He Stands in the Matter.

At a meeting of the executive of the United Organizations in the Y. M. C. A. building last evening, it was unanimously decided to proceed at once to recall Mayor H. R. McLellan. The reason given was that the mayor has "acted contrary to the mandate of the people."

The delegates from the various organizations, after the meeting had been called to order, reported that the bodies that they represented were most determined in their opposition to the Bodell offer as submitted to City Hall, and the mayor's recommendation that it be accepted, and that all were agreed it was in the best interests of the city to recall the mayor. Meanwhile the other members of the council will be asked to state definitely and publicly where they stand in the matter.

R. A. Willet, the chairman, explained that the meeting had been called for the purpose of hearing reports from the organizations and to decide upon a definite line of action. Messrs. Flood and Nonnenman, for the Builders' Association; Messrs. Anderson, Fisher and Brown, for the Citizens' Committee; George R. McIn, for the Trades and Labor Council; Messrs. Davis and Sibley, for the Marlborough Lodge Sons of England; H. D. Sullivan, for the Hardware Clerks' Association; Roy C. Haskin, for the Railwaymen's Brotherhood; A. C. D. Wilson, for the Dry Goods Association, and Mr. Kierstead, for the Carpenters' Association, reported in favor of prompt rejection of the Bodell offer and of recalling the mayor.

John Flood moved the following resolution, seconded by William Nonnenman:

Resolved, that the United Organizations strenuously oppose acceptance of the proposal of Mr. Bodell as placed before the citizens by Mayor McLellan.

Another resolution moved by Mr. Flood and seconded by Mr. Nonnenman, was as follows:

Resolved, that in view of the fact that Mayor McLellan has acted contrary to the mandate of the people recall proceedings be instituted at once.

Leamington, Ont., Aug. 11.—Dorothy Jenkin, the sixteen year old daughter of Rev. H. A. Graham, of Brantford, who ran away from the family's sum-

mer home near here because she had failed her collegiate entrance examination, was found yesterday near North Ridge, about ten miles away. She was walking on the road.

A motorist reported by Provincial Constable Crawford for speeding on the Routhway road on Sunday last was fined \$50 and costs, yesterday, by Magistrate Allingham in the Fairville police court.

THE GERMAIN ST. BAPTIST WOMEN HOLD MEETING

Following a delightful annual custom the members of the Germain street Baptist Women's Missionary Society held their meeting yesterday afternoon at the summer home of Mrs. Harold Rising in Hillendale. About fifty members of the society were present and they made the trip to and from their country homes or city residences by automobile, greatly enjoying the ride. An interesting programme was given and had for its subject: "Glimpses of Baptists in other lands—Russia." Mrs. S. S. Poole, the president, was the chair and the programme was participated in by Miss Estelle Vaughan, Mrs. W. E. MacIntyre, Mrs. S. S. Poole, Miss Alice E. Estey and Miss Lucy Smith. A vocal solo was beautifully rendered by Miss Helen Simms.

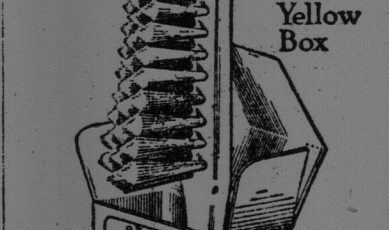

A very pleasing feature of the meeting was the presentation by Mrs. W. F. Burditt of a large framed portrait of Mrs. John Harding. Mrs. Harding passed away many years ago. She was the first president of the Germain street W. M. S., and held office for twenty-two consecutive years. The portrait was most gratefully received and will adorn the walls of the ladies' parlor in the Germain street church.

Mrs. J. W. VanWart and Mrs. J. R. Kennedy were appointed as delegates from the society to attend the coming convention of the U. R. W. M. U. in Moncton on Aug. 26 and following days.

After the pleasing programme dainty refreshments were served by the hostess, Mrs. Harold Rising, who was assisted in serving by Mrs. S. McDermid, Mrs. E. L. Rising, Mrs. H. E. McLean, Mrs. E. Titus, Mrs. Stockton Simms, Miss Mildred Parker, Miss Lucy Smith and Miss Helen Simms.

The meeting was held on the spacious verandah and the occasion was one of the most enjoyable in the history of the society.

FIVE YEAR OLD KILLS MOTHER

Policeman's Child Seizes His
Revolver as He Bends Over
Bed to Kiss Wife.

Boston, Aug. 11.—Helen Burke, five-year-old daughter of Patrolman Thomas J. Burke of Malden, shot and killed her mother, Mrs. Helen Theresa Burke, twenty-seven years old.

The tragedy occurred when the patrolman returned after his night of duty and bent over the bed where his wife, his baby son and Helen were lying. While he was stooping to kiss his wife and little ones his revolver fell from its holster. The little girl seized the weapon and shouted with glee.

"Look, mamma, look," she is said to have cried, as she pointed the weapon. There was an explosion as the tiny finger closed upon the trigger and a bullet tore into the abdomen of the mother.

Patrolman Burke was frantic with grief. He rushed to a telephone and summoned another officer to the house. The woman was rushed to the Malden Hospital and the last rites of the church were administered as she lay dying. The little girl is dazed with fright and bewildered at the tragedy, which she cannot understand.
