THE LIBERAL LEADERSHIP Montreal, July 16-A despatch from

Ottawa to the Gazette says: "Another name has been added to the ready long list of entries in the Liberl leadership race, namely that of W. W al leadership race, namely that of W. W. B. McInnes of Vancouver. Mr. McInnes is an ex-member of the House of Commons and of the British Columbia legislature, a former governor of the Yukon, and a former judge of the county court in British Columbia. He is well known as a public speaker. The tendency is to believe that Hon. W. S. Fielding will probably lead in the race with D. D. ## Wiezel's Great Mid-Summer Sale Under Way

Response was Immediate—and Morning Shopping Much in Favor

AS expected, the response to our announcement of the opening of our Great Mid-Summer Sale of Seasonable and Timely Footwear was immediate and unmistakable, proving but once again the fact that hundreds of careful buyers of the families' footwear wait for this great annual event of WIEZEL'S.

Impossible, of course, to mention in this brief space the multitude of extra attractions this sale affords-more in detail later; but there are two things we want to speak about and this is a good time

The first, and one of the most important to YOU, is the advantage of morning shopping. Scores who have been in the habit of waiting for the afternoon to shop came here this morning and were delighted with the advantages of early morning shopping, and made no hesitation in speaking about it. Morning shopping naturally means the early pick of the offerings—to say nothing of the service phase of the arrangement. In the rushed afternoon it is impossible for our sales-staff—as experienced and extensive as it is—to cope with the extra business, and this means that there is much waiting.

The second thing is the extra deep reductions we have made to completely clear out our stock of White Footwear. We were over-confident in our buying of this excellent footwear and bought heavier than was necessary; and this means that you will be the direct winner, because we must dispose of the line this month.

This condition will quickly suggest to you the wisdom of putting in a stock of White Footwear to guard against the advance in price presaged for next year—and at the same time take advantage of this beautiful summer outdoor weather.
