Evening Games

The Glenwoods took advantage of several openings in the Commercial line at critical moments in the East End league fixture last evening and won easily by eleven runs to five.

In the South End League the Curlews defeated St. James by three scores to two in a hard fought battle last evening.

The Young Nationals defeated the Bluebells by the score of 8 to 7 in a six-inning match last evening. Batteries: Burger, Marr and Murphy; Craig and Friars.

May Have Semi-Pro Ball

The local baseball promoters have come to the conclusion that amateur ball is not wanted in the city, so that they have practically decided to institute a semi-professional league of two or perhaps three local teams, bringing in professional batteries in order to keep up the interest and the standard of the game.

The St. John's will play in Moncton at the formal opening of the ball season in the railway centre tomorrow.

Offers have been received by the managers of local teams from American nines which intend to tour the provinces and it is understood that arrangements will be made to bring some of the tourists here.

Halifax has asked for games here on June 19 and 20 and the request will probably result in a series with the Nova Scotia team.

Negotiations are now under way to form a league composed of teams from St. Peter's, Marathons and St. John's and with good pitchers these aggregations would provide just the class of contest which is demanded here.

The Academics are pitted against the fast Woodstock team for tomorrow afternoon's game and the local boys have added strength to their aggregation by signing on Eddie Ramsey and "Buff".

Riley and Woodstock will also present a

semi-pro team.

St. Stephen, 10; Trinity, 2

In the Church League last evening on

the Marathon grounds, the St. Stephen

team won from Trinity by a score of 10

to 2. Russell Brothers were the battery

for the winners and Shaw and Murray

for the losers. Wm. Craft and F. Upham

were umpires. The next feature will be

between the St. Luke's and Trinity on

Monday evening next.

Halifax Into Pro-Ball

The Acadian Recorder said yesterday—

The opening professional baseball

game in Halifax will take place earlier than

originally anticipated. It was first in-

tended by the promoters of pro ball to

be between the St. Luke's and Trinity on

Monday evening next.
