WESTWORLD TORIES BREAK PARTY TRUCE
Moncton, N. B., Aug. 26.—Despite the fact that the party leaders, Sir Wilfrid Laurier and Sir Robert Borden had declared a truce so far as party differences were concerned, realizing the great need of unity in the time of war, their followers in Westworld are not apparently concerned in the matter. They held a convention yesterday and nominated M. G. Suddell by a vote of 192, against Dr. O. B. Price, M. P. P., with 61. The action of the promoters of the convention is not in sympathy with the views of leading Conservatives, who do not think that the present a proper time to bring on party strife. The Liberals may be forced to name a representative in self-protection now, although they are reluctant to break the Laurier-Borden agreement, just repudiated by the Westworld Conservatives.

QUEBEC'S TRIBUTE ENDS NOT IN CHEESE

Says Sir Lomer Gouin, Prime Minister, Dealing With War Situation

MONTREAL FUND JOINS NATIONAL

Will Work as Montreal Branch of National Patriotic Fund

(Montreal Gazette.)
At a very large meeting of the Montreal Patriotic Fund it was decided that it should apply to be included in the national patriotic organization which has recently been incorporated by parliament under the patronage of H. R. H. the Duke of Connaught, Sir Robert Borden and many other leaders in Canadian life. The local fund will therefore become the Montreal branch of the Canadian Patriotic Fund, and will, of course, secure the benefit of parliamentary and other national support. Details as to how this shall be worked out, and also as to what means shall be adopted locally to secure the necessary funds left in the hands of an executive committee which included many of the leading men in the city's financial and business life. It was, however, shown that already the Montreal fund had done much good work, while within the next few days, after the departure of the Montreal contingent, much greater necessity for its efforts would exist. So far as exact works has been done it has run about on lines of sixty cents a day for a wife, and twenty-five cents for each child, but this is merely a tentative figure, the real help to be given depending largely upon the work of the societies co-operating with the fund, in which the Soldiers' Wives' League and the Charity Organization Society are playing a large part.

DROP-ALL CONTROVERSY
Sir Edward Carson is Supporting Government

Sir Edward Carson wrote as follows to the Canadian Press correspondent on Saturday:—"At the present grave juncture of international affairs, the only wise course is to drop all controversial matters and let all sections devote themselves wholeheartedly to the support of the government and the empire in whatever measures are thought essential for the success of our arms."

THE KAISER AND LINCOLN
(From the Outlook.)
The Emperor William at Berlin, March 29, 1901.
"We will be everywhere victorious even if we were surrounded by enemies all on sides and even if we have to fight superior numbers, for our most powerful ally is God, who, since the time of the Great Elector and Great King, has always been on our side."
Abraham Lincoln during the darkest hours of the civil war, in response to the question whether he was sure that God was on "our side."
"I do not know; I have not thought about that. But I am very anxious to know whether we are on God's side."
William Howarth Drowned.

The young man was a nephew of Mrs. John Horn, of this city. Until three weeks ago he was a member of the staff of the North End branch of the Bank of Nova Scotia.
