HOW GIRLS MAY AVOID PERIODIC PAINS

The Experience of Two Girls Here Related For The Benefit of Others. Rochester, N. Y.—"I have a daughter 18 years old who has always been very healthy until recently when she complained of dizziness and cramps every month, so bad that I would have to keep her home from school and put her to bed to get relief. "After giving her only two bottles of Lydia E. Pinkham's Vegetable Compound she is now enjoying the best of health. I cannot praise your Compound too highly. I want every good mother to read what your medicine has done for my child."—Mrs. RICHARD N. DUNHAM, 111 Exchange St., Rochester, N. Y.

Stoutsville, Ohio—"I suffered from headaches, backache and was very irregular. A friend advised me to take Lydia E. Pinkham's Vegetable Compound, and before I had taken the whole of two bottles I found relief. I am only sixteen years old, but I have better health than for two or three years.

Thanks for what Lydia E. Pinkham's Vegetable Compound has done for me. I had taken other medicines but did not find relief."—Miss COLE E. POSTMANN, Stoutsville, Ohio. R.F.D. No. 1.

Hundreds of such letters from mothers expressing their gratitude for what Lydia E. Pinkham's Vegetable Compound has accomplished for their daughters have been received by the Lydia E. Pinkham Medicine Company, Lynn, Mass.

recovered. In that round and the tenth he came back with a rush, scored repeatedly with a straight left and left and right hooks. He had the better of both rounds by a wide margin.

The first bout between Al Delmont and George Kirkwood of San Francisco, was very slow. Delmont boxing far off with his left, blocked many of Al's leads and had a good shade the better of the argument. The decision of a draw brought a howl, many thinking Kirkwood had earned the verdict. It is probable, however, that the man had an agreement. Kirkwood being substituted for Paddy Callahan on short notice.

The second bout, in which Young Donahue of Roxbury and Jack Connolly of the Scot, mixed it, was pretty lively at times, and resulted in even honors. In the first six rounds Connolly received a wicked punching about the body and returned it in kind as well as he could. In the last few rounds his left hook, his standard punch, was much in evidence, and gave him a bit the shade.

London, May 29—The Victoria Cup, a handicap of 1250 sovereigns, for three-year-olds and upwards, distance seven furlongs straight, was won at the Hurst Park meeting yesterday by H. F. Whitney's Whisk Broom. Prince San was second and Eton Boy third. Fourteen ran.

MR. MIGNAULT HAS CONCLUDED ARGUMENT

Ottawa, May 29—"Even if two Roman Catholics were to publicly declare their intention of marrying so that it was known from one end of the province of Quebec to the other that they would get married, but not before a priest, the parties almost repudiating their church, as it were, and such a marriage were to take place, it would be null and void and no marriage under the Quebec law."

This was brought out in the argument before the Supreme Court today by P. B. Mignault, K. C., counsel appointed by the Dominion government to oppose the enactment of the Lancaster bill. Mr. Mignault maintains that the publication of banns and the presence of the parish priest of the parties was necessary, and that publication elsewhere than in the parish was of no avail, as was a marriage under the circumstances of the two Roman Catholics by a non-Catholic. Clandestinity such as this is contrary to the law.

The third day's argument on the marriage reference proved to be of a most interesting nature. It was the completion for the moment of the side affecting the laws of Quebec and the resumption of the argument affecting the broad constitutional and jurisdictional points by I. F. Hall, K. C., who, for the opponents of the bill followed Mr. Mignault.

Two are Added. Lydia E. Pinkham's Vegetable Compound, and before I had taken the whole of two bottles I found relief. I am only sixteen years old, but I have better health than for two or three years.

HERE IS A WOMAN OF VERY FEW WORDS

Tells Why She Recommends Dodd's Kidney Pills. She Was Run Down, Had Dark Circles Under Her Eyes and Her Kidneys Bothered Her—Dodd's Kidney Pills Cured Her Completely.

Upple St. Row, Gloucester Co., N. B., May 29—(Special)—"Dodd's Kidney Pills are a grand medicine for suffering women." In those words Laura Robichaud, a well-known and highly respected resident of this place, voices her sentiments in regard to the grand old Canadian Kidney Remedy. And, like others who have borne similar testimony, she speaks from experience.

"I can recommend Dodd's Kidney Pills because they cured me," Miss Robichaud says. "I was in a generally run-down condition. I had dark circles under my eyes and my kidneys bothered me. Two boxes of Dodd's Kidney Pills fixed me up."

This statement is made up of few words, but it describes the exact condition of thousands of women in Canada. They are run-down, have dark circles under their eyes, and they may not even know it, but their kidneys are bothering them. If they follow Laura Robichaud's example and use Dodd's Kidney Pills they will cure their kidneys, and good health will follow naturally.
