MEN'S STRAW HATS
IN EVIDENCE

An Extensive Display to Be Seen at Oak Hall.

During the last few days men's straw hats have been gradually making their appearance in the streets, and now Oak Hall have opened their new spring styles and are showing a very attractive window display that is a great inducement for every man to discard his heavy felt or derby and get under a new crisp straw, giving him that summery feeling.

PICKED THE
WRONG CHURCH

Was in the Right Town But That Was All.

New York, May 27—Getting into the wrong pew is a byword, but Samuel Neil, student in the Western Theological Seminary at Pittsburg, astounded the members of the Methodist Church in Independence, Pa., by not only getting into the wrong church, but the wrong denomination. He was delegated to conduct services in the Presbyterian Church, but went to the Methodist Church and preached the sermon, while the regular minister sat, presumably dumbfounded, in the choir. The young man did pick the right town.

LIQUID VENEER
MOP

You Will Like It Better Than Any Other Mop

BECAUSE it is such a beauty and has so many fine improvements. There is no other mop like it!

It is so easy to clean this mop. Simply slip the swab from the frame—like pulling a curtain from a rod—wash it, wring it out, dry it and replace.

The full, soft yarn center will appeal to you because it picks up so much dust and dirt and because it gives full protection to floors.

The long 54 inch handle is perfection itself. No adjustments to make and it remains firm at any angle.

The Liquid Veneer treatment will render your floors so spotlessly clean, so beautifully bright and so near like new that you will be astonished. It removes every trace of grease and gives new life to the finish.

Extra swabs may be obtained at moderate cost. No need to buy an entire new mop when the old one gets worn. Just get a new swab.

Try this wonderful mop. \$1.75, worth double. Sold on approval by all dealers.

A DANGEROUS WARNING
—BLEEDING GUMS

Are your gums tender? Do they bleed when brushed? If so—watch out for Pyorrhea.

This disease of the gums, which afflicts four out of five people over forty, not only destroys the teeth, but often wrecks the health.

In Pyorrhea, the gums become spongy, then recede; the teeth decay, loosen, and fall out—or must be extracted to rid the system of the infecting Pyorrhea germs which breed in pockets about them. These germs lower the body's vitality and cause many diseases.

You can keep Pyorrhea away. Visit your dentist often for tooth and gum inspection, and use Forhan's For the Gums.

Forhan's For the Gums prevents Pyorrhea—or checks its progress, if used in time and used consistently. Ordinary dentifrices cannot do this. Forhan's keeps the gums firm and healthy—the teeth white and clean.

Start using it today. If your gums have receded, use Forhan's according to directions, and consult a dentist immediately for special treatment.

35c. and 60c. tubes in Canada and U.S. If your druggist cannot supply you, send price to us direct and we will mail tube postpaid.
