

 TO, MINISTERS AND SABBATH SCHOOL TEACHERS.

The undersigned has much pleasure in submitting

A NOVEL ARRANGEMENT

of both Lantern and Lamp (named by its inventor
SCIOPTICON.) as being one of the most
convenient and easily managed forms of

MAGIC LANTERN!

THE PRINCIPAL NOVELTY OF THE

“SCIOPTICON”

IS A CURIOUSLY CONTRIVED

 **COAL OIL LAMP,** 

With its ridge of wide intensified double flame lying edgewise to the lenses giving
it much greater illuminating power than all other Oil Lanters.

 TO SABBATH SCHOOLS AND OTHER INSTITUTES,

They offer peculiar advantages, and are extensively used by the
Conductors of these Institutions in aiding the
progress of education.

LANTERN SLIDES

INCLUDING

100 SCRIPTURE SUBJECTS

ALWAYS ON HAND.

OLD LANTERNS EXCHANGED.

GEO. MICHAEL,
OPTICIAN.

King St. East, Toronto, and 40 King St. West, Hamilton.

REFERENCE.—Prof. Wright, W. F. C., Hamilton.
