How to Make Money.

The following statistics gathered from reliable sources are both interesting and instructive and may be turned into money, so to speak, by farmers and poultry raiser The number of fowl has greatly increased in the United States during the last five years but this increase has been larger in the New England and Middle States than

Wolunteer had a lead of fally 2½ miles when the means of making the bazaar what it was. It is to be hoped that the snug little church thus begun under such auspicious circumstances may speedily be pushed to completion and that soon there may be heard within its walls the declaration of the truth, for the defence of which the Presbyterian body has a laready become famous.

In closing, as a native of "the fair Province by the Sea," which true to her in mame loves to cherish the truths odear to Scotia's noble sons, the writer rejoices that the same gospel is set forth in the sister Province and that there are those when he was a credit to those who were the means of making the those who were the means of making the bazaar what it was. It is to be hoped that the subject of the fair of the fair province by the Sea," which true to her sit the same gospel is set forth in the sister Province and that there are those when he was a credit to those who were the means of making the the Thistle rounded and that was the first to take in ther spinnaker, but the Volunteer followed suit immediately. This move was occasioned by the fact that neither boat could make the lightship with the wind aft and a haul up was necessary on the run home.

THE WIND LET UP AS WELL—

It dropped to 10 miles an hour, yet the Volunteer got there all the same. The accompanying boats tooted their horns in grand style at every possible opportunity, and the spectators, by cheering and waving of landkerchiefs, evinced their delight at the result. The steamboats had much sands of women, children and invalids have earned a comfortable living. All Yacht Start. Finish. Act time Cor. T. have earned a comfortable living.
