LAWN TENNIS CHAMPIONSHIPS

NEWPORT, R. I., Aug. 22.—The National Lawn Tennis Championship competition as a result of today's play has narrowed down to sixteen men, but the playing which brought about this result provided very little of championship quality.

Former champion W. A. Larned and J. C. Wright, holders of several sectional titles, were given the grandstand court, but their match proved very short, Larned quickly disposing of his opponent in straight sets 6-0, 6-3, 6-3. The choppy strokes that Wright had found so effective yesterday against P. C. Colton, gave away chances for Larned. The former champion was in excellent form, both at the net and in the back court. His passing strokes were very fine and laid very close to the line. His service gave Wright a great deal of difficulty, and whenever Larned found himself in trouble he ran up to the net for certain points. His showing today strongly used the impression that was already strong, that he would win the national championship for the third time.

R. H. Palmer, the conqueror of Karl Behr, had considerable difficulty today in his match with Clarence Fall, taking four sets to win, 6-3, 6-4, 4-6, 6-4. He took the last set only after a very hard struggle. Fall's playing proved a surprise and was much better than it has been before this year in tournament play.

MARITIME VISITORS GIVEN DELIGHTFUL SAIL ON RIVER

Visitors Enthusiastic in Their Praise of the Hospitality of St. John Board—W. S. Fisher Retiring President Decorated With the Noble Order of the Sunflower—Other Humorous and Eloquent Speeches

At one o'clock yesterday the deliberations of one of the most successful meetings of the Board of Trade held since its formation were concluded. In the afternoon the visiting delegates and their lady friends were taken for a sail up the beautiful St. John river by the local Board of Trade.

There were nearly three hundred in the party and the outing was a delightful one in every respect. The visitors, particularly those who had never been up the river, could not say too much in praise of the magnificent vista of beauty that unfolded itself as they sailed along.

The fertile farms, grassy slopes and attractive summer homes that fringe the river were spoken of in terms of rapturous admiration, which caused the hosts to feel that their efforts to please their guests had not been in vain.

On the way up several yachts were met, and greetings exchanged, while here and there a motor boat was chugging its way along.

It was intended to leave Indiantown at half-past three, but it was an hour later before the Victoria pulled away very slowly, Larned quickly disposing of his opponent in straight sets 6-0, 6-3, 6-3.

The choppy strokes that Wright had found so effective yesterday against P. C. Colton, gave away chances for Larned. The former champion was in excellent form, both at the net and in the back court. His passing strokes were very fine and laid very close to the line.

His service gave Wright a great deal of difficulty, and whenever Larned found himself in trouble he ran up to the net for certain points. His showing today strongly used the impression that was already strong, that he would win the national championship for the third time.

ST. JOHN, Aug. 22nd, 1907. Captain J. S. Frost, commandant B. Company, 62nd Fusiliers: Dear Sir—As a band of militiamen under your command, we feel that we do not want the drill season to pass without showing our appreciation of your earnest work in connection with our company, which has become the crack band of our battalion, chiefly through your constant efforts. Not only are we acknowledged to be the prime company in drill efficiency, but our marksmanship has won for us the coveted badge of the Ottawa Rifle Club, a competition open to the battalion.

Your own excellent shooting helped very materially to win this trophy, and your instruction in such matters has inspired all the boys to better work at the butts. Therefore in disbanding for the season allow us to thank you for your friendliness and for your great assistance to us as militiamen a trifling memento of the occasion, please accept this pipe. May its smoke reveal many a bright memory of the pleasant days and dark nights we have enjoyed in one another's company.

The pipe was of very fine workmanship. A tobacco pouch accompanied it. Upon a silver band on the pipe was engraved Capt. Frost's name and the words "62nd Regiment." Capt. Frost made a suitable reply to the address, expressing his surprise and gratitude at being so remembered by his men. The rest of the evening was devoted to music, games and other means of entertainment.

Permission has been received for the Band of the 3rd Regt. C. A. to visit Boston on Labor Day. This band, which is now one of the finest in Eastern Canada, had been requested to take part in the parade of the Honorable Artillery Company. Stanley B. Smith, who is also a member of the band committee, and who has taken a very active part in bringing it to its present high state of efficiency. The band will leave St. John on August 31st by Eastern Steamship Line and will return on Sept. 6th. Permission for the trip was received after the usual routine, from the government of the United States and the Canadian minister of militia and military police, as well as from the governor of Massachusetts for the privilege of carrying arms.
