SEEK AND YOU SHALL FIND. These are fallacious words of boys in the world, that is a very true saying.

SENT THEM HOME. A Very Clever Defense Case in an American Court. Years ago, when the noted American lawyer, Thaddeus Stevens, was practicing in Lancaster, Pa., he was employed to defend two bank officers who had been indicted for conspiracy.

It Woke Them Up. A month before the bombardment of Fort Fisher in the last American war began, the celebrated powder explosion occurred which was intended to blow down this solid earthwork.

How it Works in Hamilton. Men and women are often influenced by the truthful testimony of those who have thoroughly tested a remedy.

When John Ruskin on one occasion was addressing an assembly of men at Cambridge, he told them if they wanted to be perfect workmen they must become like children.

An Ill-Used Boy. "William, my son," said an economical mother to her boy, "for mercy's sake don't keep on tramping up and down the floor in that manner."

For Nervous Prostration USE HORSFORD'S ACID PHOSPHATE. Dr. GREGORY DOYLE, Syracuse, N. Y., says: "I have frequently prescribed it in cases of indigestion and nervous prostration, and find the result so satisfactory that I shall continue its use."

OTTOLENE IS THE POPULAR SUBSTITUTE FOR LARD. ALL THE COOKING SAUNTS AND APOSTLES PR- AISE IT, SO DO DIET- ETIC SIN- NERS AF- TER THEY HAVE USED IT, SO DOES EVERY BODY WHO HAS TRIED IT. TRY IT YOUR SELF AND SEE.

TURKISH DYES EASY TO USE. They are Fast. They are Beautiful. They are Brilliant. SOAP WON'T FADE THEM.

SEEK AND YOU SHALL FIND ABOUT. It is said that the Queen's railway journey to and from Balmoral costs £200 each way. Edward Bellamy, the author of "Looking Backward," is the son of a New England Baptist minister.

The Queen of Greece is the president of a sisterhood devoted to the reformation of criminals. The queen herself personally visits the prisoners.

It is said that the Duke of Saxe-Coburg-Gotha, better known as the Duke of Edinburgh, expends some hundreds of pounds a year in allowances to old sailors who have served under or with him.

Lord Salisbury is very short-sighted, and his reserve towards strangers is largely ascribed to this infirmity, or his friends. The Marquess never forgets a man who has once done him a service, and will go out of his way to return it.

Lady Brooks, now Countess of Warwick, is probably one of the best known society women of the period. She is beautiful and has gracious manners.

The Prince of Wales wears a bracelet on his left wrist. On a recent occasion when he appeared in public, the gleam of the gold bangle was noticed by a very few individuals.

M. Henri Koebeloff, who now resides in London, is a much-expatriated Frenchman. Forced to flee from his native land in the days of the Empire, he was later in bad odour with the Republican Government.

Paul Verlaine, the eminent French poet, has been made much of recently by the highest literary circles of London, which city he has been visiting. He is thus described:—"An immense square skull, almost bald, with a forehead that overhangs the face, narrow, greenish eyes, like slips of jade rising outward in Chinese fashion, a long, thin mustache falling about seventy centimetres, and a pair of lips that show red as blood in the midst of the pavement-colored skin; constant movement and gesticulation of the hands and eyes and head."

Babies ought to be fat. Give them Thin Babies a chance. Give them Scott's Emulsion the Cream of Cod-liver Oil, with hypophosphites, and watch them grow Fat, Chubby, Healthy, Bright. Physicians, the world over, endorse it.
