N. B. Power Co. Annual Meeting

Passed Dividends on Its Preferred Stocks—Losses by Recent Storms Will Amount to \$40,000 — Officers Elected.

On Monday afternoon at the annual meeting of the N. B. Power Company, L. R. Ross, in the report of the President and Directors for the year ended December 31, 1919, said:

Your president and directors submit the following annual report and financial statement for the year ending December 31, 1919. A bill was introduced at the last session of the legislature drafted by the Currier Commissioners and giving effect to their recommendations. Amongst other objections to the bill the City contended that the Company's assets did not warrant a rate base of \$2,800,000 as established by the Currier Commission and at the instance of the City this matter was referred by the legislature to the Court of Appeal for consideration. It is expected that the court will make a finding before the legislature meets early in March.

Mr. Ross also will report on the SHARPSHIPS OF THE NEW BRUNSWICK POWER COMPANY.

The company, as that owing to the severe storm, extremely cold weather of the winter it is compelled to pass the dividends on its preferred stocks.

In December January certain of the City Water pipes were frozen and burst, flooding company's Gas pipes causing them to freeze and burst, thereby entailing loss of several million feet of Gas putting the Company to great expense in repairing the damage.

The heavy storms coming from the interior of the Street Railway service several days. Notwithstanding utmost effort of our employees an enormous force of labor was not yet been resumed. In addition to the loss of earnings of interrupted service in consequence of the storm very considerable loss was done to the electric and power distributing systems.

A storm, a heavy rain flooded the City of St. John, burning out of exception of eight.

Police Court Cases Yesterday

Mrs. Annie Ross Charged With Assaulting Her Husband—Liquor Cases Dealt With—Other Cases Dealt With.

Two exceptional cases marked yesterday's sitting of the police court, one was that in which a charge of assault was preferred against Mrs. Annie Ross by her husband, Robert. The evidence of both husband and wife was heard, as well as that of a young man whose presence in the house the husband objected to, and which was the cause of the quarrel that ensued. The case was postponed for further hearing.

The second case was that in which John Sterling was fined for refusing to assist Sergeant O'Neil in effecting an arrest in West St. John. The fine was allowed to stand. William McParlane pleaded guilty to the theft of two bottles of liquor from the C. P. R. and was remanded to jail. James Wilson was fined \$8 for not moving on when told to do so by the police.

Fines amounting to \$250 were also levied on three men for drunkenness. One of the number was taken to the General Public Hospital for treatment.

WEATHER CHANGES HARD ON SYSTEM

Weak Constitutions Cannot Stand up to Them—Tonic Needed to Build Them up.

Such frequent changes of weather as have been noted in St. John of late demand that you give careful attention to your system. You must keep yourself strong and healthy to withstand the varying degrees of temperature, for otherwise you must fall a victim to influenza, pneumonia or similar trouble which is very dangerous.

There is a way in which you can so fortify yourself as to be unafraid of attacks such as this. That is by keeping your body well. How can this be done? It is necessary first that you take the ordinary precautions to guard against catching cold and that you nourish your body with the proper medicine, a tonic that will build up your system, purify your blood and renew life to your tired muscles and organs.

There is no better tonic to do this than "L.V. Tonic." That is being demonstrated every day by those who are using it. You should be among the number. It can be had from almost any reliable drugist, but if your's cannot supply you send his name to the Maritime Drug Company, 108 Prince William street, or send them a dollar and they will forward "L.V. Tonic" direct to you.—(Adv.)

WEDDINGS

Daley-Cunningham.

A quiet wedding took place at St. Paul's Church, which was officiated by the Rector, Archdeacon Crowfoot on the 24th inst. at 7 o'clock when Allan A. Daley and Catherine Cunningham were united in marriage.

The bride was attended by Miss Bertha Stockton and the groom by James A. Gaulton. The groom is a returned soldier who saw over four years service in France. They will reside at 10 Courtney street.

ACCEPTED CALL.

Rev. Ned McLaughlin, B. A., of Portland Street Methodist Church, has accepted an invitation to Point de la Croix. Rev. Mr. McLaughlin was pastor of the Presbyterian church some years ago.

The total loss will aggregate \$40,000 and upwards.

The narrow margin afforded by the rates allowed, prevent the company from accumulating a surplus adequate to care for such contingencies.

Yours truly,

L. R. ROSS, President.

The directors are: L. R. Ross, president; Fred R. Taylor, H. P. Robinson, W. E. McGregor, P. W. Thomson, R. B. Emerson, L. C. Gerry.

Best Act of Life States Fireman

Wife Overjoyed at Results of Tanlac Bought for Her by Husband.

"My wife is now able to do her housework for the first time in many years and I want everybody to know that it's all because of the good results she has gotten from Tanlac," said L. Constantine, a fireman employed by the Reid, Newfoundland Railway, living at 87 Hamilton St., St. John's, Newfoundland, while telling of his wife's recovery since taking the medicine.

"For years and years," he continued, "my wife's health has been bad and she was so weak and thin I looked for her to give out and break down just any time. Her circulation was poor and she was so pale she hardly had the color of blood in her face. Her nerves were all on edge and at the least excitement or unusual noise she would shake like a leaf. Headache spells often came on her and at night it was next to impossible for her to sleep well. She had little or no appetite and it seemed that she had lost all her strength and energy and was so weak she was almost helpless. It looked like the more medicine she took the worse she got and I can hardly understand how she managed to hold out as long as she did. A friend of mine who had been taking Tanlac came to me and told me that had done for him. I went straight to the drug store and bought some to see if it would help my wife. Well, sir, she seemed to improve with each dose and in a few days she was looking better and acting like a different person. Her appetite returned, everything she ate agreed with her and now, although it has been only a little over a month since she started taking Tanlac, she had already gained about fifteen pounds. Her blood has been purified, she is stronger than in years and has now gone back to doing her housework. The headaches have left her and her nerves are steady and she now knows what it is to have a good night's sleep and rest. She is so overjoyed at her recovery that she is praising Tanlac all the time, since I have seen what it has done for her, I believe that when I bought this medicine I did the best act of my life."

Tanlac is sold in St. John by Ross Drug Company and the leading druggist in every town, under the personal direction of a special Tanlac representative.—Adv.

COUNTY COURT SESSION YESTERDAY

Many Grand and Petit Jurors Absent Through Illness—Special Panel Ordered—Alexander Howie Found Guilty of Theft.

There were four criminal cases and two non-jury cases on the docket of the county court yesterday morning. The cases were: The King vs. The American Globe Laundry Co., in which J. A. Barry is for the plaintiff and Barnhill, Sanford and Harrison for the defendant; and Thorne vs. Porter, in which J. M. True-man is for the plaintiff.

The criminal cases include three cases of alleged theft from the C. P. R. and one of a camera from the Salvation Army Hostel. They are the following: The King vs. Frederick G. Jones, theft, J. A. Barry for the defendant.

The King vs. Alexander Howie, theft, J. A. Barry for the defendant.

The King vs. Thomas Petrie, theft, E. Scott Morill for the defendant.

The King vs. Clarence A. Whipple, theft, E. S. Ritchie for the defendant.

Owing to many of the grand and petit jury being absent due to illness, a special panel had to be ordered, and the court adjourned to 2:30.

The case of the King vs. Alexander Howie was disposed of at the afternoon session of the county court. Howie was found guilty by the jury who entered a strong plea for leniency on his behalf. The court then adjourned to 10 o'clock this morning.

PRISONER WAS BURNED

Officials of the County Jail wish to deny the statement made in the press that a prisoner had been seriously burned in the jail Monday evening. The Standard has been informed that the accident happened in a cell at Police Headquarters. The man burned was a prisoner charged with drunkenness whose clothing caught fire. It is thought from a lighted cigarette. He was taken to the hospital for treatment.
