creators of this fund-raising contest, decided to expand the size of the competition. The fall 1983 Pig Bowl included: Moncton P.F., RCMP Moncton, RCMP Fredericton and the guards from the Dorchester Penitentiary. The teams met in Moncton for three days of intensive competition.

Moncton P.F. confidently entered the competition with an 8-0 record. However, they were soundly defeated by the Fredericton Detachment team, the Blue Machine. The final day saw the Blue Machine defeat Moncton RCMP, and bring the Pig Bowl home to Fredericton after a series of stunning victories.

All games were played in weather ranging from torrential rains to snow and freezing temperatures. The inclement weather was soon forgotten during the evening socials and a dinner arranged by Moncton P.F.

The organizers of the Pig Bowl wish to have more teams involved from police departments within New Brunswick as well as interprovincial

police agencies. Interested parties should contact the Moncton P.F. (855-1640) and ask for Cpl. Mike Boudreau.
