It is claimed that Johnson's Anodyne Liniment is almost infallible in the cure of diphtheria, pneumonia, influenza, bronchitis, congestion of the lungs, and hard dry coughs. This may be all true. We know it will prevent diphtheria and that it will cure the croup instantly.

It is reported that a clandestine manufactory of explosives has been discovered at Cronstadt, and that several naval officers have been arrested.

"Dragging Pains."

Dr. R. V. Pierce, Buffalo, N. Y.: Dear Sir—My wife had suffered with "female weaknesses" for nearly three years. At times she could hardly move, she had such dragging pains. We often saw your "Favorite Prescription" advertised, but supposed like most patent medicines it did not amount to anything, but at last concluded to try a bottle, which she did. It made her sick at first but it began to show its effects in a marked improvement, and two bottles cured her. Yours, etc., A. J. DNYCK, Deyosit, N. Y.

PHYSICIAN'S TESTIMONIAL.—J. F. Brine, M. D., Port Hill, P. E. I., writes:—Messrs. Putner, Emulsion Co., Halifax. Dear Sirs—I have used your Emulsion extensively during the past four years, and have much pleasure in adding my testimony as to its efficacy. We had here last summer numerous cases of Whooping Cough and Scarlet Fever. I found the Emulsion answer admirably when the acute symptoms had subsided, in very many instances. In most wasting disorders, especially those peculiar to children, your Emulsion has rendered me good service, being pleasant to the taste and no feeling of nausea following its administration. It seldom fails giving good results, and I prefer it to any other preparation of the kind.

I am, yours respectfully, J. F. BRINE, M. D.

*The term *hydra* may be used to represent any manifold evil. If you would battle successfully with this many-headed monster of disease you will find it expedient to keep Mrs. Pinkham's Vegetable Compound always at hand.—Dr. Banning.

Capt. Conder, of the English Palestine exploration company, having finished Western Palestine, has been engaged in Eastern Palestine. Many cromlechs and rude stone monuments have been discovered. Baal Beor, Zophim, and other biblical place have been identified. This whole part of Moab is shown to have been the centre of a peculiar form of religious worship, of which the tokens are still preserved in the monuments.

We will wager a year's subscription that a 25 cent package of Sheridan's Condition Powder contains more pure ingredients and costs more money than a bushel of any kind put up in large packs. Sheridan's powders are absolutely pure.

The opinion of the general public in regard to Ayer's Cherry Pectoral is confirmed by clergymen, lawyers, public speakers, and actors. All say it is the best remedy that can be procured for all affections of the vocal organs, throat, and lungs.

A writer says: "I would not be without Eggar's Wine of Rennet in the house for double its price. I can make a delicious dessert for my husband, which he enjoys after dinner and which I believe has at the same time cured his dyspepsia.

Testimonial from Capt. Joshua Harper.

Sackville, N. B., Feb. 13, 1877. J. H. Robinson, Esq., St. John, N. B. Dear Sir,—Early in October last I took a severe cold which settled on my lungs. After having a bad cough for about six weeks, I had a very severe attack of bleeding from the lungs, while on a passage from Queenstown to Dover. I had daily spells of bleeding for some days, until I lost about two gallons of blood, and was so weak as to scarcely be able to stand. I put back to Queenstown, where I received such medical assistance as enabled me to get home.

I saw an advertisement of your Phosphorized Cod Liver Oil Emulsion in a paper. I immediately sent and got half a dozen bottles, after taking which I feel myself a well man again. My weight, which was reduced to 120 pounds, is now up to my usual standard of 152 pounds. Seeing what it has done for me, I can confidently recommend it to others afflicted with lung disease.

Yours very truly, (Signed) JOSHUA HARPER, Of the barque "Mary Lowerson."

Startling Weakness.

General and Nervous Debility, Impaired Memory, Lack of Self-confidence, Premature Loss of Manly Vigor and Powers, are common results of excessive indulgence or youthful indiscretions and pernicious solitary practices. Deep excavations in the Chalk in Kent, England, have recently been explored with great interest. A large number of Chambers, 18 feet in height, and from 40 to 70 feet in length, with double trefoil arches, have been traced. The floors are covered by a black humanus, supposed to have been produced by the decay of corn, grain and wood. These underground works are connected with ancient camps, huts, circles, ancient roads and boundaries, and give the appearance of having been the site of ancient villages.

EAGAR'S PHOSPHOLEINE is the best Emulsion yet made, "is what a leading druggist in Canada writes; "we have no doubt of it." It is not the advertising, but its sterling worth that is making it known, and it is amongst the physicians and more intelligent of our merchants, mechanical and laboring classes that it is used.

By Universal Accord,

AYER'S CATHARTIC PILLS are the best of all purgatives for family use. They are the product of long laborious, and successful chemical investigation, and their extensive use, by physicians in their practice, and by all civilized nations, proves them the best and most effectual purgative Pill that medical science can devise. Being purely vegetable no harm can arise from their use, and being sugar-coated, they are pleasant to take. In intrinsic value and curative powers no other Pills can be compared with them; and every person, knowing their virtues, will employ them, when needed. They keep the system in perfect order, and maintain in healthy action the whole machinery of life. Mild, searching and effectual, they are especially adapted to the needs of the digestive apparatus, derangements of which they prevent and cure, if timely taken. They are the best and safest physic to employ for children and weakened constitutions, where a mild but effectual cathartic is required. For sale by all druggists.

—Dr. Benson's Skin Cure consists of internal and external treatment at same time and it makes the skin white, soft and smooth. It contains no poisonous drugs. \$1, at any first-class druggists.

Foo Choo's Balsam of Shark's Oil Positively Restores the Hearing, and is the Only Absolute Cure for Deafness Known.

This Oil is abstracted from peculiar species of small White Shark, caught in the Yellow Sea, known as CARCINARHON BOND-DELETH. Every Chinese fisherman knows it. Its virtues as a restorative of hearing were discovered by a Buddhist Priest about the year 1410. Its cures were so numerous and many so seemingly miraculous, that the remedy was officially proclaimed over the entire Empire. Its use became so universal that for over 300 years no deafness has existed among the Chinese people. Sent, charges prepaid, to any address at \$1.00 per bottle.

Hear What the Deaf Say!

It has performed a miracle in my case. I have no unearthly noises in my head and hear much better. I have been greatly benefited. My deafness helped a great deal—think another bottle will cure me. My hearing is much benefited. I have received untold benefits. My hearing is improving. It is giving good satisfaction. Have been greatly benefited, and am rejoiced that I saw the notice of it.

"Its virtues are UNQUESTIONABLE and its CURATIVE CHARACTER ABSOLUTE. AS THE WRITER CAN PERSONALLY TESTIFY, BOTH FROM EXPERIENCE AND OBSERVATION. Write at once to HAYLOCK & JENNEY, 7 Dey Street, New York, enclosing \$1.00, and you will receive by return a remedy that will enable you to hear like anybody else, and whose curative effects will be permanent.
