

After Golf

or any sport or severe physical exertion massage the muscles with Absorbine, Jr. Leading golfers and baseball players do. So do wrestlers, walkers and sprinters. They know how quickly Absorbine, Jr., limbers up the stiff muscles and joints, stops inflammation and prevents the usual "next-day" soreness.

THE ANTISEPTIC LINIMENT

Is more than a liniment—it is a positive antiseptic and germicide. This doubles its efficiency and its uses.

The first game, the first lap around the cinder track, the first of the season's out-of-doors sports does not claim its toll of sore limbs when the muscles are rubbed down with Absorbine, Jr.

When applied to cuts, bruises, sores and wounds, it kills the germs, makes the wound aseptic and promotes rapid healing.

Acts promptly in allaying pain and reducing sprains and wrenches. Economical and convenient to use—only a few drops required at an application. Fragrant and refreshing. Absorbine, Jr., is made of pure herbs and contains no acids or poisons—safe to use anywhere.

Absorbine, Jr., \$1.00 4 oz., and \$2.00 12 oz. bottle at most druggists or delivered.

A Liberal Trial Bottle will be sent to your address upon receipt of 10c in stamps.

Let me talk to you about being "Run-Down"

When your system is undermined by worry or overwork—when your vitality is lowered—when you feel "anyhow"—when your nerves are "on edge" when the least exertion tires you—you are in a "run-down" condition. Your system is like a flower drooping for want of water. And just as water revives a drooping flower—so 'Wincarnis' gives new life to a "run-down" constitution. From even the first wineglassful you can feel it stimulating and invigorating you, and as you continue, you can feel it surcharging your whole system with new health—new strength—new vigour and new life. The result will delight you.
