There's a fire, people sitting around talking about the ski runs, somebody laughing about a fall she had. But you aren't part of it. Why? Because you're having one of those "difficult" days.

Tampax tampons could change all that. Tampax tampons can give you the total freedom and comfort you want to really enjoy yourself. Because with Tampax tampons you don't need things like bulky belts and pads that cause chafing. You can wear those clinging ski clothes without a worry. Because Tampax tampons are worn internally, you can be as active as you like. And feel completely secure.

Join in the fun. Let Tampax tampons change your life. You don't have to be "frozen out" any weekend.
