Ottawa, 3rd February, 1905.

Sir,-

The Twentieth Century and Laurentian Mining Company has applied for permission to open a road across the Wabigoon Indian Reserve, in the Rainy River District, Ont.

This Department is prepared to submit a surrender to the Indians, with the view of having the said road opened. Before, however, taking any further steps in the matter, and with reference to the agreement made with your Department of the 16th April, 1894, I shall feel obliged if you will be good enough to state whether you have any objection to the said road being opened.

Your obedient servant,

Secretary.
