Re: Chemainus I.R. No. 13
Timber Licence No. 266.

Your letter of March 10th does not provide all the information requested in my letter of February 5th. Please let me have a report with respect to the Company's operation of the past year, the quantity of timber removed and the amount paid for credit to the funds of the Band.

You might also advise if you have discussed with the Indians concerned the proposed deletion of the clause from their licence with respect to the provision and delivery of fuel wood and if so their reaction.

W.S. Arneil,
Indian Commissioner for B.C.
