Camp Site Rental - Indian Reserve #4.

Mr. G. T. Chilcott,
District Airway Engineer,
118 Pacific Building,
744 Hastings St. West,
Vancouver, B. C.

Dear Sir:-

In reply to your letter of the 21st instant.
Enclosed please find sketch of Clayoquot Band,
Koo-Too-Wis, "Indian Reserve #4", of 37 acres at mouth of
Indian River - Survey, E.M. Skinner 1893-4.

We have had the use of this reserve for camp
site since August 1st, 1942. With allowances for the
weather we should be able to vacate the site by the end
of September 1943, 14 months in all.

The army or R.C.A.F. may wish to take over part
of this camp for housing guard or maintenance crews, but
that would be subject for separate negotiations and should
not concern the Department of Transport.

Yours truly,

"L.R.A. Tobey"

L. Roy A. Tobey
