OFFICIAL VISIT

Commissioner Coombs Welcomed to the Maple City and Delivers an Ad-

Commissioner Coombs, of Toronto, paid his official visit to Chatham on Saturday and addressed a large erowd in the Sarvation Army Barfacks Saturday evening.

Mayor Cowan was to have delivered an address of welcoome, but appointed Ald. Bell to act in his stead. Ald. Hell also was unable to appear at the meeting, so the honor fell to Judge Houston. Rev. A. H. MacGillivray, Dr. Thornton, Judge Houston and Commissioner Coombs were the speakers. Judge Houston acted as chairman. He gave Mr. Coombs and General Booth.

Rev. Mr. MacGillivray made an excellent address, saying he was there to show his good will to the Salvation Army, as a representative of the clerrymen and also on his own behalf.

Dr. Thoraton, who represented the Methodists of the city, welcomed the head of the Salvation Army in Canada.

lengthy address, telling of the work that has been done. The number of officers and men in the Salvation Army at present number a million. The speeches were interspersed with

The speeches were interspersions singing.

The Commissioner was loud in his maises of Chatham. It is 16 years since he has been here, and he has noticed quite an improvement in the city in the line of good roads and residence. He says he would not readgnize Chatham as the same place. Commissioner Coombs left last evening for Windsor.

Dublin, May 22.—Chief Secretary Ireland Long gave a banquet to Irish Unionist members of the House of Commons Saturday night. He de-nounced the revolution proposals of Lord Dunraven, who, he said, was go-ing down the road which was traversed by others who had surrendered their forces in disorder. Certain reforms in the Irish administration were desirable, he added, but the country would not prosper unless the law was enforced and liberty was secured for all.

Paris, May 22.—The Temps Saturday publishes a despatch from Tangler, Morocco, announcing that a small British vessel, cruising on the Moorish coast, was attacked recently by pirates, who fired on the crew and riddled the British flag with bullets. Representations, it is added, have been made to the British Minister ... Tangler with the view of obtaining redress.

Campany Ordered to Pay.

GALLANT BOY

Clarence Barfoot Stops a Runaway and Saves Two Girls From a Dang-

Clarence Barfoot, son of Post-master S. Barfoot, was the hero of

Clarence Barfoot, son of Postmaster S. Barfoot, was the hero of
the city Saturday evening about nine
o'clock when he saved a couple of
Raleigh girls from what might
otherwise have been a very serious
runaway accident.

The two girls were alone in a rig
which was standing on King street
when the horse became frightened
and made a dash for liberty. This
action on the part of the animal
came quite unexpectedly to the two
girls who were, as a result, unprepared. The horse turned the corner
at the post office with the reins
trailing along on the pavement.

Mr. Barf by was standing in front
of St. Joseph's church when he saw
the runaway approaching and he prepared to stop the horse. He was sucessful in the attempt but he received serious injuries in so doing. He
caught the trailing lines and was
dragged some distance along the
pavement.

When the horse was finally stop-ped it was found that Mr. Barfoot had sustained severe bruises on his right arm and a local surgeon pronounced it temporarily paralized. Clarence is walking around to-day with his arm in a sling, but he is a gallant fellow, and the fact that the girls escaped uninjured helps him to endure the pain in his arm.

BIOYOLE ACCIDENT

Last evening about 9 o'clock a bioycle came to grief nearly in front of Briscos. King St. The boy on the bicycle was doing a "star" turn, viz., peddling with one foot and the other was the circus foot. The drive of the rig pulled into the curbing to awoid an accident, but the boy on the wheel, instead of taking the center of the pavement, ran into the rig. Result, a demolished hind wheel and congested otherwise. Moral: Boys, when on your wheel, see that you use both peddles and the handle bars. The boy was not hurt beyond a good shaking up, and it will serve as an excellent lesson to him in future. The driver of the rig, as soon as the boy was struck, pulled up to see if he was hurt.
