A Lecture on the French Race and the Roman Catholic Religion

BY REV. J. BURTON, B.D., M.A.

**PRICE TEN CENTS**

The Rev. John Burton, B.D., of the Northern Congregational Church, Toronto, last week delivered a very interesting lecture under the auspices of the Young People's Association connected with his congregation. The subject on which he spoke was, "The French and Catholicism in Canada." The lecture was characterized by fairness and liberality of tone throughout. Between Mr. Burton and the ignorant fanatic there is a wide gulf. Roman Catholicism as a religion was not assailed, but Ultramontanism as a political system, the lecturer showed, was what was to be guarded against. He confined himself to the statement of the problem, but hesitated to offer a solution. When an important question is discussed with the ability and fairness shown by Mr. Burton, and with no paltry party end to serve, the cause of truth gains.—*Canada Presbyterian.*
