NEW BUSINESS RECORD OF THE MUTUAL

The popularity of The Mutual Life of Canada with the insuring public is being demonstrated in the amazing amount of new assurances issued. The first four months of 1920 indicated an increase of no less than 46% over the amount of insurance underwritten in the corresponding period of 1919. Insurance is in greater demand to-day than it has ever been before in the history of the world. The people are impressed with the importance of securing life insurance and naturally their thoughts turn to The Mutual of Canada. The life agent is fortunate to-day owing to the increasing demand for insurance. And especially if he represents The Mutual Life of Canada which is expanding at a rate that surprises even its most optimistic friends.
