A MESSAGE TO THE WEAK

ARE YOU a weak man? Are you nervous, fretful and gloomy? Is your sleep broken? Have you pains and aches in different parts of your body? Is your back weak and painful? Have you lost the vigor of youth? Is your vital power growing less? Are you rheumatic and gouty? Have you Varicose? These are the result of the waste of vital force. The gentle stream of electricity from Dr. McLaughlin's Electric Belt going into the nerves and weak parts for hours every night soon replaces all the lost energy and makes every organ perfect. It cures permanently in every case.

Don't allow this daily waste and drain to take away all the pleasure of living; don't see yourself losing your nerve force, your manhood, when a cure is at hand, and that unless you cure yourself now you will soon be a wreck. You have pains and aches, dizzy spells, despondency, losses by night and by day, confusion of ideas, weak back, varicose, and are growing weaker in every way. Cure yourself now and enjoy happiness for the rest of your life.

"Let every man know it. I will preach the merits of your wonderful treatment wherever I go; it has been worth its weight in gold to me; I will never cease shouting its praise."

Such are the messages of gladness sent to us from patients restored to health and strength by my Electric Belt. They come in daily and nearly always after other treatments have failed.

READ WHAT SOME OF THE CURED HAVE TO SAY:

Dear Sir,—I have used your Belt for rheumatism, and have been completely cured. Yours truly, M. Douglas, Pickering, Ont.

Dear Sir,—I am pleased to tell you that I have been greatly benefited by the use of your Belt. I have not had a night's sleep since I last wrote to you, nor fluttering of the heart. My food digests as good as ever it did, and I feel better in every way. Your Belts are all right when used according to directions. Wishing you every success, I remain, yours truly, Samuel J. Parr, Granton, Ont.

Such are the cures my Belt is performing every day. I have hundreds of just such statements from patients all over the country.

Anyone who will secure me can use my Belt on the condition of

NO CURE, NO PAY.

CAUTION—Beware of old-style, burning electrode belts, which are using an imitation of my cushion electrodes. My office contains hundreds of these old belts, discarded as useless and dangerous by persons whose bodies have been seared and scarred by the bare metal electrodes. I will make special terms to anyone having one of these old back-burners.

FREE BOOK—If you can't call send for my 80-page book, which tells of my method of treatment and testimonials from the cured. Sent, sealed, free. Address,
