A COMPLETE

BREAKDOWN

HAD NO STRENCTH, HEART WAS WEAK, COULD NOT REST.

For years I was troubled with a complete breaking down of the system. My strength left me entirely and I was as weak as a child, often feeling as though I had not strength to breathe. My heart was 50 weak it seemed as though it would stop beating, and my family was afraid I would die of beart failure. I took a great deal of medicine, but none of it did me any good; I was always so tired and could not rest and often cried with weakness. I bought a medical electric hattery, and although it gave me some relief, it was only temporary. Vito Ore was then brought to my notice by an advertise ment. I

brought to my notice of an advertise ment. I have used it now for three months' time and cannot praise its curative powers too highly, for I am now strong and feel better than ever before in my life. Vita-Ore has done all this for me and I will always be ready to speak highly of this remedy.

# From the Earth's Veins to Your Veins

What Vitæ Ore is:

Vitro-Ore is a natural, hard, adamantine, rock-like substance—mineral—Ore—mined from the ground like gold and silver in the neighborhood of a once powerful, but now extinct, mineral spring. It requires twenty years for oxidization by exposure to the air, when it slacks down like lime, and is then of medicinal value. It contains free iron, free sulphur, and free magnesium, three properties which are most essential for the retention of health in the human system, and one package—one ounce—of the ORE, when mixed with a quart of water, will equal in medicinal strength and curative value 800 gallons of the most powerful mineral water drank fresh at the springs. It is a geological discovery, to which nothing is added and from which nothing is taken. It is the marvel of the century for curing such diseases as

Rheumatism, Bright's Disease, Blood Poisonieg, Heart Trouble, Dropsy, Catarrh and Throat Affections, Liver, Kidney and Sladder Ailments, Stomach and Female Disorders, La Grippe, Malarial Fever, Nervous Prostration, and General Debility,

as thousands testify, and as no one, answering this, writing for a package, will deny after using. VITÆ-ORE has cured more chronic, obstinate, pronounced incurable cases than any other known medicine, and will reach such cases with a more rapid and powerful curative action than any medicine, combination of medicines, or doctors' prescriptions which it is possible to procure.

Vitæ-Ore will do the same for you as it has done for hundreds of readers of this paper, if you will give it a trial. Send for a \$1.00 package at our risk. You have nothing to less but the stamp to answer this announcement. We want no one's money whom Vitæ-Ore cannot benefit. You are to be the judge! Can anything be more fair? What sensible person, no matter how prejudiced he or she may be, who desires a cure and is willing to pay for it, would hesitate to try Vitæ-Ore on this liberal offer? One package is usually sufficient to cure ordinary cases; two or three for chronic, obstinate cases. We mean just what we say in this announcement, and will do just as we agree. Write to-day for a package at our risk and expense, giving age and allments, and mention The Farmer's Advocate, so we may know that you are entitled to this liberal offer.

### CURED OF RHEUMATISM BY A TWO MONTHS' TREATMENT AT THE AGE OF 80.

About two years ago I had an attack of Rheu-matism in my, shoulder, which caused me con-siderable pain in my neck, and my arms were badly swollen even to the ends of my fingers. The pain passed to my other shoulder and I sur-fered so terribly I could hadle turn over in my

other shoulder and I suffered so terriby I could hardly turn over in may bed and could not put on my clothes without great difficulty. I was troubled in this way for some time, until I saw the Vite-Ore advertisement, "You Are to Be the Judge," It attracted my and read the testimonials of people who had used the conclusion that it exactly suited my case and decided to try a package. Before I had used the entire package I felt much improved, and as I winted to make a parfect curse entirely sure I sent for and used another package, Viteo Ore cured me, for which I am very thankful. I will do all I can to make it known and advertise it. This photograph was taken on my eightical anniversary.
